**2019-2020 ... January 22 (LabetteCC-KS) ...**Big and strong post player who needs to trim 10-15 pounds which would enable her mobility and quickness and speed. Labors some running the floor with average to above average speed. Decent form on her jumper from 15'. Limited jumping ability. Can catch with her back to the basket and muscle her way to the rim or bump her defender back to go up for her short jumper. Passing skills need work.

**2020-2021 ... NationalTournament April 19-24 (Western Nebraska CC) ...**Transfer from Kansas City Kansas CC. Inside player who needs to lose 10-15 pounds in middle and hips. Will run the floor hard but carrying the extra weight slows her down. Has decent length. **AS OF 5-18-21 STILL OPEN.**
