2023-2024...November 26 (SewardCountyCommunityCollege-KS) ...Very good jumping ability and very athletic. Watched her online verses Garden City and saw more from her than had previously seen as a freshman or sophomore. December 9 (DodgeCityCommunityCollege-KS) ...Very good strength. Not one to step out and be a threat from three. Athleticism is good. January 3 (HutchinsonCommunityCollege-KS) ...Averaging 10.9 ppg coming into this game. Frame is good and has good strength. Didn't see anything which helped to project her in this game.

2022-2023...December 7 (DodgeCityCommunityCollege-KS) ...Slender guard who needs to get stronger and gain some weight. Free throw needs more knee bend and a little better rhythm. January 7 (@ CowleyCollege-KS) ...STARTER...Has too much left hand in her free throw and backspin is off. Same is true with her mid-range and three but can catch and shoot and get it off quickly. Free throw needs more knee bend. Transition speed is very good. Has a little too much arm motion in her free throw. March 1 (IndependenceCommunityCollege-KS) ... STARTER...Very good speed and quickness. Has not shot the ball well all year (25% from the field and 19% from three). March 10 (BartonCountyCommunityCollege-KS) ...Will need to become a better shooter. Has put up 139 shots from the field and only connecting on 24%.																						
2023-2024...November 26 (SewardCountyCommunityCollege-KS) ...STARTER...Projected at level 8 as a freshman. Still needs to get stronger and add some weight. Rotation on her three and her free throw is off and needs more knee bend. Ball-handling skills are okay but not point guard level. December 9 (DodgeCityCommunityCollege-KS) ...Came off the bench and contributed by scoring 7 points. Quickness is very good and floor speed is very good. January 3 (HutchinsonCommunityCollege-KS) ...Will need to become a better shooter and raise her conversion rate to project at a higher level. Went 0-6 from the field (0-4 from three).

2022-2023...December 7 (DodgeCityCommunityCollege-KS) ...Very good lateral quickness and can cover the quick guard on the perimeter. January 7 (@ CowleyCollege-KS) ...Needs more upper body strength a few more pounds. March 1 (IndependenceCommunityCollege-KS) ...Very limited playing time. Jumps very well and gets good elevation on her jumper. March 10 (BartonCountyCommunityCollege-KS) ...Have not seen enough to project a level.																						
2023-2024...November 26 (SewardCountyCommunityCollege-KS) ...Did not project as a freshman. Still needs to get stronger. Seems to have a good feel for the game. Is vocal on the court. Culture kid. December 9 (DodgeCityCommunityCollege-KS) ...Primarily a mid-range shooter, and did not see her look at the basket from beyond the arc. Plays hard on both ends of the floor. January 3 (HutchinsonCommunityCollege-KS) ...Speed and quickness is good and has good athleticism.

<p><b>2022-2023...December 7 (DodgeCityCommunityCollege-KS) ... STARTER...Free throw form is good but is only hitting 51.5% of her 66 attempts coming into this game. Can run the floor. Very good frame. January 7 (@ CowleyCollege-KS) ...STARTER...Length is good. Runs the floor well in transition. Has decent to good strength. Free throw form is good. Athleticism is good. Quickness is good, not great. Mobility around the basket is good. Uses her left hand well off the drive. Needs to do a better job of elevating and powering up for short shot down low in the paint. January 11 (GardenCityCommunityCollege-KS) ...STARTER...Needs to finish better down low in the paint off her post moves. Tends to bang it off the board and needs to develop better touch. Face-up shot from 12-15' has good form and is effective from there when left open. Use of her left hand on her shot from down low needs to improve. Back-to-basket moves need a lot of work. Fills the lane and runs the break well off the defensive rebound, laying it up naturally with her left hand. March 1 (IndependenceCommunityCollege-KS) ...STARTER...Gets to the line quite a bit and needs to convert better from there. Converting 58.8% on 182 attempts from the charity stripe. March 10 (BartonCountyCommunityCollege-KS) ...STARTER...Not prone to want to mix it up inside and shy's away from contact. Detected some attitude issues when she encountered some adversity. <b>NAMED THIRD TEAM ALL-AMERICAN.</b></b></p>																							
<p><b>2023-2024...November 26 (SewardCountyCommunityCollege-KS) ...STARTER...As a freshman, projected at level 5/4? Will face up from 15' and execute a spin move but somewhat mechanical. Questionable basketball I.Q. at times. Viewed her online against Garden City and may have been her best game that I've observed. Did a much better job of finishing around the rim, and ran the floor well. With the kind of effort observed in that game, some level 4 looks will be warranted. December 9 (DodgeCityCommunityCollege-KS) ...STARTER...Did a good job of not forcing her shots as she was covered most of the game a sagging zone. Again, finished better around the basket and you have to honor her shooting from beyond the arc. January 3 (HutchinsonCommunityCollege-KS) ...STARTER...Averaging 19.2 ppg coming into this game. Needs to groove her free throw as much as she gets to the line. When she makes her move inside, needs to elevate and not glide through the shot. Struggles when defense collapses on her on the post position. Is too intent on making a move rather than kicking out and reestablishing position.</b></p>

<p><b>2022-2023...December 7 (DodgeCityCommunityCollege-KS) ... STARTER...Handles it well and goes right or left comfortably and will put on the floor from the perimeter going left and use her left hand to lay off the board. Form on her three is good but will need to raise her conversion rate as she is only hitting 27% here early in the season. Needs to get stronger and add some weight. Quickness is very good. Shoots her free throw a little off the side of her face. January 7 (@ CowleyCollege-KS) ...STARTER...Length is good. Transition speed is very good. Quickness is good to very good. Lateral quickness is very good and covers well on the perimeter. January 11 (GardenCityCommunityCollege-KS) ...STARTER...Has the quickness to drive it by her defender and get to the basket. March 1 (IndependenceCommunityCollege-KS) ...Needs to become more of a threat from three. Drops her right shoulder on her perimeter shot. March 10 (BartonCountyCommunityCollege-KS) ...Handles the ball well and has only committed 22 turnovers for the year.</b></p>																							
<p><b>2023-2024...November 26 (SewardCountyCommunityCollege-KS) ...STARTER... Projected at level 6 as a freshman. Can drive it left and executed a nice quick stop and go, finishing with her left hand. Looks stronger than as a freshman. Seems very comfortable going left or right, even in traffic. Very good lateral quickness and covers well defensively out on the perimeter. December 9 (DodgeCityCommunityCollege-KS) ...STARTER...Did not have a great game, but was solid. Quickness is very good and floor speed is very good as well. Took care of the ball without turning it over. Plays hard. January 3 (HutchinsonCommunityCollege-KS) ...STARTER...Shot the three well in this game going 3-3.</b></p>

<p><b>2022-2023...December 7 (DodgeCityCommunityCollege-KS) ... STARTER...Good frame. Has good quickness driving it to the basket. January 7 (@ CowleyCollege-KS) ...STARTER...Pull-up jumper from 12-15' has good form. Length is good. Free throw form is good. January 11 (GardenCityCommunityCollege-KS) ...STARTER...Plays hard and will get hustle rebounds. Free throw has a little hitch in it and needs to be smoothed out. Transition speed is good. March 1 (IndependenceCommunityCollege-KS) ...STARTER...Not much of a threat from three. Will get hustle rebounds and is averaging almost 7 a game. March 10 (BartonCountyCommunityCollege-KS) ... STARTER...Midrange shooter who needs to develop her outside shooting and shoot it better from all levels. Continues to get rebounds because she wants to. Has some good upside and another year of experience will be very helpful to her.</b></p>																							

**2023-2024...November 26 (SewardCountyCommunityCollege-KS) ...STARTER...**As a freshman, projected at level 7/6? Handles are good and very good quickness. Form on her three in this game looked good. Sets up quickly for her shot and on balance. Has good athleticism. Plays very good perimeter defense keeping the offensive player in front of her and not allowing the drive. **December 9 (DodgeCityCommunityCollege-KS) ...STARTER...**Very good form on her three. Quickness is very good. Can get out and run the floor. Had some turnover issues in this game. One to keep an eye on as she could very well go under the radar in her recruiting. **January 3 (HutchinsonCommunityCollege-KS) ...STARTER...**Averaging 6.2 rebounds per game. Needs to get stronger, particularly upper body. Very athletic and jumps well. Not afraid to mix it up on the boards.

**2023-2024...November 26 (SewardCountyCommunityCollege-KS) ...**Has decent frame and shoulders which would enable her to get stronger upper body. Jumps very well. Has a little too much arm motion in her free throw. **December 9 (DodgeCityCommunityCollege-KS) ...**Her age (23) will be an issue and will not be able to go DI. With playing time, could become an important in the rotation of this team. Very athletic, and has good quickness and good speed. Not one to be a threat out on the edge, but strength and jumping ability will enable her to get more playing time. **January 3 (HutchinsonCommunityCollege-KS) ...**Very limited playing time in this game.

**2023-2024... December 9 (DodgeCityCommunityCollege-KS) ...**Shoots the three well and has a quick release. Not one to put on the floor and drive it. Primarily a spot-up shooter and has nice-looking stroke. Quickness is above average to maybe good. **January 3 (HutchinsonCommunityCollege-KS) ...**Struggled some against the pressure defense.

**2022-2023... January 7 (@ CowleyCollege-KS) ...**Frame is good but needs to tone and firm up. Length is good. Runs the floor with good speed in transition. Very good to excellent quickness. Needs a little more knee bend in her free throw. Strength is good. Has good athleticism. From the high post can get to the rim very quickly. **March 1 (IndependenceCommunityCollege-KS) ... STARTER...** Comes off the bench and needs to improve her shooting. Not a threat at all from three. Has the ability to push the break and deliver the good assist for a lay-up. **March 10 (BartonCountyCommunityCollege-KS) ...STARTER...**Face up from 15' has good form. Not a threat from three at all.

**2023-2024...November 26 (SewardCountyCommunityCollege-KS) ...STARTER...**Did not project as a freshman. Strength is good. Floor speed is good. Looks to be stronger than as a freshman. Face-up 15' jumper has very little elevation but form is okay. Primarily a mid-range shooter. Lateral quickness is good and covers well. Gets out on the fast break and finishes well going full speed and under control. Also has the ability to finish with contact. Stance a little too wide on her free throw. Best offensive output I've seen in her. **December 9 (DodgeCityCommunityCollege-KS) ...STARTER...**Anticipates very well on defense and plays the passing lanes. Defensively will get right up in players grill and with her strength and lateral quickness, can force keep ball-handler to not be able to penetrate. **January 3 (HutchinsonCommunityCollege-KS) ...STARTER...**Not a threat from beyond the arc. Not sure she has the ball-handling skills and quickness to drive it by the quick defender.
