2023-2024...December 5 (WeatherfordCollege-TX) ...STARTER...Averaging 15 points a contest coming into this game. Handles the ball pretty well and has the ability to create her own shot on the perimeter off the dribble. Needs to start her shot from higher in the pocket and not drop it so low and in front of her body. She does bring it back in and up through her face but the extra motion makes it slow getting off. Defensive intensity needs to increase. Quickness is good but doesn't have explosive quickness taking it to the basket. Needs to get stronger. Wound up with 18 points in this game. **January 15 (@ClarendonCollege-TX) ...Starter...**Coming into this game is averaging 15.2 ppg but was closely guarded and pressured and was unable to get many open shots. Has good upside but will need to learn how to handle the defensive pressure.

2022-2023...November 1 (WeatherfordCollege-TX) ...Good frame. Speed and quickness is above average. Very good free throw form. Lacks the lateral quickness to cover on the perimeter. February 26 (@ClarendonCollege-TX) ...STARTER...Doesn't have the quickness to drive it by her defender and get to the rim. Very nice form on her shot from beyond the arc if you leave her open. Ball-handling skills need work. Pressure bothered her.

2023-2024...December 5 (WeatherfordCollege-TX) ...Projected at level 8 as a freshman. January 15 (@ClarendonCollege-TX) ...In off the bench and has nice frame. Floor speed is good. Needs more upper body strength. Not much production in this game and has not proven to be a very good shooter.

2023-2024...December 5 (WeatherfordCollege-TX) ...STARTER...Runs the floor very well and with good speed. Has a quick move to the basket from the perimeter. Length is very good. Makes hard cuts. Free throw form is not bad, but like her perimeter shot, tends to shoot it a little off the side of her face. **January 15 (@ClarendonCollege-TX) ...Quickness is good to very good. Needs more upper body strength. Handled it well. Game is smooth. Length is decent. Floor speed is very good. Coming into this game was only hitting on 29% of her field goal attempts, and 19% from three. In this game went 0-12 and 0-6.**
