quarter with an injury. Active. November 17 MurrayStateCollege-OKShot from three has very good form but not shooting much at all from beyond the arc. January 12 (@ NorthernOklahomaCollege-Enid/January 27 (@ RedlandsCommunityCollege-OK)STARTER Free throw form not bad. STARTERHas the ability to set up quickly and get her three off with quick release. Not shy putting shots up but needs to raise her shooting percentage. 2023-2024December 8 (HighlandCommunityCollege-KS)STARTERProjected at level 7 as a freshman. Lefty. Face-up jumper from 15' has good form. Speed and quickness is above average to maybe good. Still needs to get stronger in her upper body. Likes to shoot the trey. Runs the floor very well. Active on the boards. January 11 (@RedlandsCommunityCollege-OK) STARTER Executes nice step-back move to get her three off and coming into game hitting almost 42% from beyond the arc. Doesn't put on the floor and drive it but primarily looks to shoot the three.
