**2023-2024...November 2/15 (Trinidad Junior College-CO/BartonCommunityCollege-KS)** ...Strength is good. Length is good. Handles it well. Form on her three is good. Very good quickness. Free throw form is very good. Seems to have a good feel for the game. Plays with some enthusiasm. Jumper off the dribble has good form. Has wiry strength. Shoots the mid range shot well off the high post and with good touch. **December 1 (FrankPhillipsCollege-TX)** ...**STARTER**...Form on her three is good. Quickness is good and can get up and down the floor with good speed. **January 11 (NortheasternOklahomaA&MCollege)** ...Floor speed is very good. Anticipates well on defense but tends to get overly aggressive and gets into foul trouble. Has not proven to be a great shooter, but had 17 in this game. **January 23 (SeminoleStateCollege-OK)** ...**STARTER**...Came in averaging 14 a game but went off with 26 this game. Needs to be careful about reacting to calls. Not afraid to take the ball to the basket and go up against contact. In some situations need to learn to simply pull up for the little short jumper.

**2022-2023...November 15 (ParisJuniorCollege-TX)** ...**STARTER** ...Long with okay frame but getting stronger would be beneficial. Can run the floor well, but needs to run the floor harder. When rolling to the basket off the pick and roll needs to go more aggressively. Needs to do a better job of screening off the boards. Plays too soft. When rebounding ball offensively, needs to take it back up strong and aggressively. Free throw form needs a little bit of adjusting. Has some physical tools but game is raw. Needs to shoot the short low block shot with more authority by going up with power and jumping higher. Needs to do a better job of denying the post entry pass. When having to guard outside the paint needs to get low on defense and move her feet and not allow the offense to drive by her. Not sure about her basketball IQ. **December 16 (TrinityValleyCommunityCollege-TX @SewardCCC-KS)** ...In transition, runs with who she is defending even when the ball is ahead of her rather than sprinting the floor and getting back to help defend. Offensive game is not there at this point. **January 27 (NortheasternOklahomaA&MCollege)** ...**STARTER**...Averages 8.3 rebounds and 8.7 ppg. Has some upside, but needs another year of experience to develop her game. Takes too long to make her move on the post. Getting stronger and playing with more aggressiveness will be key for her in moving on to the next level.

**2023-2024...November 2/15 (Trinidad Junior College-CO/BartonCommunityCollege-KS)** ...Projected at level 7 as a freshman. Needs to learn to play harder and with more intensity. Skill level is just not there to play at a higher level. **December 1 (FrankPhillipsCollege-TX)** ...**STARTER**...Nice drop step move off the post position, didn't show great quickness with it. Free throw is not grooved. Missed an easy shot and just quit and didn't run to the other end. Post defense is weak. Poor attitude. **January 11 (NortheasternOklahomaA&MCollege)** ...**STARTER** ...Post defense is weak and needs to move her feet and not try to primarily block shots. Questionable basketball I.Q. Size will enable her to get level 7 looks. **January 23 (SeminoleStateCollege-OK)** ...**STARTER**...Weak defensively on the post. Needs to learn to play hard all the time.

**2022-2023...November 15 (ParisJuniorCollege-TX) ...Needs to tone and trim 5-10 points off middle and hips. Turns the ball over too much with bad passes. December 16 (TrinityValleyCommunityCollege-TX @SewardCCC-KS) ...Limited jumping ability. Transition speed is above average and needs to run the floor harder. Lateral quickness is not there to cover on the perimeter. Quickness is above average. Started in the second game. Needs to follow her shot from mid-range and three. Moves to the basket need to be quicker, somewhat slow-motion. Needs to become more aggressive on the boards. January 27 (NortheasternOklahomaA&MCollege) ...**STARTER**...Will need to lose some weight and become more active. Has not proven to be a good three point shooter.**

**2023-2024...November 2/15 (Trinidad Junior College-CO/BartonCommunityCollege-KS) ...Projected at level 8 as a freshman. Lack of quickness and athleticism will make it difficult to play at the higher levels. Still needs to trim 5-10 pounds. Floor speed is above average. Needs to push herself running the floor. January 11 (NortheasternOklahomaA&MCollege) ...**STARTER**...Doesn't have the quickness to put on the floor and drive it. Lateral quickness is lacking. January 23 (SeminoleStateCollege-OK) ...**STARTER**...Has decent feel for the game. Doesn't force anything offensively.**

**2023-2024...November 2/15 (Trinidad Junior College-CO/BartonCommunityCollege-KS) ...Combo guard who has wiry strength. Plays hard. December 1 (FrankPhillipsCollege-TX) ...Nice form on her three. January 11 (NortheasternOklahomaA&MCollege) ...Plays hard. Has okay quickness but not point guard quickness, or ball-handling ability. January 23 (SeminoleStateCollege-OK) ...Very active on both ends of the floor. Somewhat of a blue collar player. Goes after all the loose balls, goes to the boards and is not really a great leaper. Coming into game had not shot the three well, but did so in this game going 5-6.**

**2022-2023...November 15 (ParisJuniorCollege-TX) ...**STARTER** ...Does a good job of posting her defender up and then has good post moves and will finish. Free throw form is very good. Form from three is good. Knows how to seal her defender down low and call for the ball. Basketball IQ is very good. Knows how to screen and does it every time. Speed and quickness is above average to maybe good, but game smarts compensates for deficiency. January 27 (NortheasternOklahomaA&MCollege) ...**STARTER**...Averaging 8.3 ppg. Likes to post up with back to basket and make a move. Has put up 52 shots from three but only converted on 9 of them. When posting up or shooting around the paint, will get to the free throw line frequently and is 57-69 (82.6%). Plays hard but skills need to be developed.**

**2023-2024...November 2/15 (Trinidad Junior College-CO/BartonCommunityCollege-KS)** ...Needs to widen her base on her free throw, otherwise good form. Plays hard on both ends of the floor. **December 1 (FrankPhillipsCollege-TX)** ...**STARTER**...Gets rebounds because she wants to. Most effective offensively posting up defender her size. **January 11 (NortheasternOklahomaA&MCollege)** ... **STARTER** ...Not afraid to go up against any post player regardless of size. Gritty kid who plays har and with an abundance of aggressiveness. Averaging 9.7 rebounds each game. Posting up and making move gets her to the free throw line and she is deadly from the charity stripe. **January 23 (SeminoleStateCollege-OK)** ...Didn't start due to ankle injury but did come in, played sparingly and seemed to be okay.

**2022-2023...November 15 (ParisJuniorCollege-TX)** ... **STARTER** ...Needs to trim 10-15 pounds to improve mobility. Lateral quickness is lacking to be able to cover the quick guard on the perimeter. At times, tends to try to do too much offensively with too much dribbling. But she also has an uncanny way to create offense for herself and score. Shoots nice soft running floater. Handles the ball well and has the body to protect her dribble. **January 27 (NortheasternOklahomaA&MCollege)** ...Has good basketball IQ. Play today was rough and did not handle the ball as well. Did not play with the same skill-set previously observed.

**2023-2024...November 2/15 (Trinidad Junior College-CO/BartonCommunityCollege-KS)** ...As a freshman, projected at level 7/6?. Backspin on her perimeter shot is off. At times tries to do too much and get too fancy. **January 11 (NortheasternOklahomaA&MCollege)** ... **STARTER**... Has lost significant weight and has helped to improve her quickness. Handles it very well in traffic and has some clever moves to create her own shot. Not effective three point shooter. For size, has a knack for rebounding with her quick reaction to the ball coming off the boards. Coming into this game was averaging 13 ppg and 6.4 rebounds. **January 23 (SeminoleStateCollege-OK)** ...**STARTER**...Needs to be careful and not try to do too much and just go one-on-one. Needs to raise her shot up in the pocket and develop quicker release on her shot from beyond the arc.
