2023-2024... December 2 (GardenCityCommunityCollege-KS) ...Dribbling skills need work. Pressure bothered her. Needs to get stronger in upper body. February 3 (BartonCommunityCollege-KS) ...Very limited playing time. Shooting from beyond the arc is not a strength for her. February 24 (@PrattCommunityCollege-KS) ...More weight would be good.

2023-2024...November 8 (@NorthernOklahomaCollege-Tonkawa) ...Reserve off the bench. Slender combo who needs to add some weight and get stronger. Stroke from the perimeter has very good form. February 3 (BartonCommunityCollege-KS) ...DNP and is getting very limited playing time. February 24 (@PrattCommunityCollege-KS) ...

2023-2024...November 8 (@NorthernOklahomaCollege-Tonkawa) ...Came in as a reserve at the point. Small combo guard who has good quickness. Doesn't look to score from the perimeter. February 3 (BartonCommunityCollege-KS) ...STARTER...Going left on the dribble needs to get better. Quickness is good but not great. As a point guard, passing skills need to improve. Needs to get stronger. Not sure she has the mindset to play the point effectively. Does not shoot the three well, but if she gets to the line, is converting her free throws. February 24 (@PrattCommunityCollege-KS) ...STARTER...Don't see point guard mentality. Ball-handling skills need work. Needs to get better going left on the dribble. Perimeter defense needs to get better.

2022-2023...November 16 (CoffeyvilleCommunityCollege-KS) ...Very good length. Free throw form needs better rhythm, has a hitch in it. January 7 (ButlerCollege-KS) ...Very raw. Post moves need work. Questionable hands. January 14 (@PrattCommunityCollege-KS) ...Put on the floor and drove it with her left hand finished well. Footwork needs to get better. Long and slender post player who needs to get much stronger and gain several pounds. Athleticism is good and jumps well and does pretty good job of protecting the basket against slashers. From first time observing her to this game, has gotten better. Best days are ahead for her.																						

2023-2024...November 8 (@NorthernOklahomaCollege-Tonkawa) ...STARTER... Projected as a freshman at 7/6? Free throw form is okay. Tends to shoot it a little off the side of her face. Has narrow shoulders and great strength will be hard to come by. Shoots her face-up jumper from too low in the pocket. Tends to make silly fouls and basketball I.Q. is somewhat lacking. **December 2 (GardenCityCommunityCollege-KS) ...STARTER...** Still needs to get stronger and put on some weight. Has very good jumping ability and reacts to the ball very well off the boards. **February 3 (BartonCommunityCollege-KS) ...STARTER...** Move to the rim has very good quickness but needs to soften her touch and finish better down off the low block. Reacts well to the ball off the boards. Length is very good. Free throw needs better back-spin. Had 15 points and 14 rebounds in this contest while going against a defender with her size and quickness. Needs to develop her face-up shot and the short mid-range game. **February 24 (@PrattCommunityCollege-KS) ...STARTER...** Uses her right and left hand well down off the low block. Had no defense played against her in this game and had 38 points. Runs the floor very well.

2022-2023...November 16 (CoffeyvilleCommunityCollege-KS) ...Needs to tone and tighten up. Floor speed is above average. Free throw form is okay. Needs to be strong when rebounding offensively and going back up with her shot. Doesn't have a lot of athleticism. Defensively did a good job of blocking shots. January 7 (ButlerCollege-KS) ...STARTER...Jumping ability is average to above average. Transition speed is above average to good, had not seen her run hard in observing her previously. January 14 (@PrattCommunityCollege-KS) ...STARTER ...Very good frame and strength is good. Not a threat from three. Seems a little lost at times. Another year may be key for her as she adjusts to style of play.

2023-2024...November 8 (@NorthernOklahomaCollege-Tonkawa) ...STARTER... As a freshman, projected as level 8/7?. Average to above average lateral quickness and covering the quick wing is a challenge. **December 2 (GardenCityCommunityCollege-KS) ...STARTER...** Stroke from three has good form. Not real athletic. **February 3 (BartonCommunityCollege-KS) ...STARTER...** Through 21 games is averaging 15.8 ppg and 9.2 rebounds. Even though stroke looks good from three, needs to convert from there better. Defense concentrated on her and she struggled shooting the ball in that she doesn't have the quickness or ball-handling ability to create her own shot or penetrate and shoot the mid-range shot or finish at the rim. Changing her projection to 7. **February 24 (@PrattCommunityCollege-KS) ...STARTER...** Free throw form is good. Questionable basketball IQ. Floor speed is above average. Limited athleticism. Lacks the quickness and ball-handling ability to create shot on the perimeter. Doesn't rebound that well out of her space, but body size enables her to get rebounds.

2023-2024...November 8 (@NorthernOklahomaCollege-Tonkawa) ...STARTER... Questionable quickness for a point guard. Form from three is good. Ball-handling skills need work. Needs to develop her left hand on the dribble. Transition speed is above average to maybe good. Frame is good. Jumps well. Quickness is above average to good. **December 2 (GardenCityCommunityCollege-KS) ...STARTER...** Playing mostly 2 guard in this game. Didn't handle the defensive pressure. **February 3 (BartonCommunityCollege-KS) ...STARTER...** Shot from three looks good but only hitting 15% on 61 attempts. Passing and dribbling skills need to improve. Had 6 turnovers in this contest. **February 24 (@PrattCommunityCollege-KS) ...STARTER...** Game is inconsistent. Ball-handling skills need work. Continues to struggle against defensive pressure.

2023-2024...November 8 (@NorthernOklahomaCollege-Tonkawa) ...STARTER...Frame is good. Needs to tone and tighten up and drop 5-10 pounds around the middle. . Transition speed is above average to maybe good. Form on her three is good. Shoots her perimeter shot with a lot of arch. Footwork on her shot needs work as she tends to take a little hop each time. Same is true off the dribble and needs to come to a jump stop with both feet. **December 2 (GardenCityCommunityCollege-KS) ...Give her a little time and can hit the three. February 3 (BartonCommunityCollege-KS) ...HAD NOT PLAYED SINCE DECEMBER 9 AND THEN BRIEFLY JANUARY 24.**

December 2 (GardenCityCommunityCollege-KS) ...STARTER...Quickness is good. Did not see the ball-handling ability to be able to create her own shot. **February 3 (BartonCommunityCollege-KS) ...STARTER...**Through 21 games is averaging 11 ppg. Game needs to become more aggressive. Has okay athleticism. **February 24 (@PrattCommunityCollege-KS) ...STARTER...**Shot from beyond the arc needs to smooth out. Needs to develop her left hand on the dribble. Not one to put on the floor and drive it. Has put up 266 field goal attempts and 211 have been from three. To be effective, needs to develop her mid-range arsenal.
