Did not hit well in this game but 115 of her 176 attempted shots have been from three. Quickness is very good and can run the floor well. February 21 (CiscoCollege-TX)STARTERThrough 24 games is averaging 18.9 ppg. Shoots the three with quick release and from deep. Can use the step-back move to get the three off.           #         LAST         First         Ht         Year         Pes         Hometown: (City, State)         High School         16 ord         Level         23         8

2022-2023...November 11-12 (HillCollege-TX/GraysonCollege-TX) ...STARTER...Small point guard with good quickness. Shoots her shot off to her right side. Takes it hard on the dribble against the press to break down the numbers. Pushes the break well. November 26 (SouthPlainsCollege) ...STARTER...Decent strength but is size and lack of great quickness will be a challenge at the next level. Ugly free throw form. March 8 (AngelinaCollege-TX) ...STARTER...Not a pretty shot off the dribble. Size will make it difficult to play at a higher level. Not a threat from three.

2023-2024...November 10/15 (ParisJuniorCollege-TX/SouthPlainsCollege-TX) ...STARTER...Projected at level 9/8 as a freshman. Really small point guard with very good quickness. Still flipping the ball on her free throw. Little water bug who makes things happen on offense and defense. Size could hurt her at the next level. STARTER...When she decides to go to the rim not many who can keep her from doing it. At times she is a little out of control, but will make things happen. STARTER...Needs to take better care of the ball and cut down on the turnovers. Shot from the perimeter has poor rotation. November 24/25 (TrinityValleyCommunityCollege-TX/DallasCollege-CedarValley-TX) ...STARTER... Hand position and follow through on her shot really needs to be corrected. Plays hard. February 21 (CiscoCollege-TX) ...Through 24 games is averaging 14.5 ppg along with 6.1 rebounds. Shoots her shot off the side of her face.

2022-2023... March 9 (SouthPlainsCollege-TX) ... Raw post player. Pretty good athleticism. Have not seen her enough to project a level.

2023-2024...November 10/15 (ParisJuniorCollege-TX/SouthPlainsCollege-TX) ...STARTER...Did not project as a freshman. Frame is good. Length is very good. Nice move off the post position. STARTER...Skill level is lacking. November 24/25 (TrinityValleyCommunityCollege-TX/ DallasCollege-CedarValley-TX) ...STARTER...Did a good job of protecting the rim and blocked several shots. Can run the floor. Very good length. Frame is good but needs to get stronger. February 21 (CiscoCollege-TX) ...Limited production in this game.
