2023-2024...November 3 (FrankPhillipsCollege-TX) ...STARTER...Projected at level 9 as a freshman. Shooting the three with more confidence using the pick to get open for her shot. January 29 (@NorthernOklahomaCollege) ... STARTER...Leave her open and she can convert the three, but not one to put on the floor and drive it hard to the basket. February 12 (EasternOklahomaStateCollege-OK) ... STARTER...Plays solid perimeter defense. Plays hard.

2022-2023...November 21 (MurrayStateCollege-OK) ...Needs to tone and tighten up and drop 5-10 pounds. Not much of an offensive threat. Speed and quickness is above average. January 12 (NortheasternOklahomaStateA&M) ...Plays hard but does not have a lot of natural talent. Floor speed is above average and quickness is average. Comes off the bench to give minutes. January 19 (SeminoleStateCollege-OK) ...STARTER...Needs to be more offensive minded. Gives great effort but limited skill set.

2023-2024...November 3 (FrankPhillipsCollege-TX) ...STARTER...Projected at level 9 as a freshman. Still needs to drop some weight. January 29 (@NorthernOklahomaCollege) ...STARTER...Floor speed is above average. Not real athletic. Seems to have a nose for the ball coming off the boards. Uses nice drop step move off the post and will go right or left and use appropriate hand to score off the board. Does a good job of kicking out after receiving ball on the post when the defense collapses. Seems to have a good feel for the game. Executed well on an up and under move, but was just a little slow doing it. Free throw form is good. Nice soft touch on her shot. Did not see her try to force anything. Length is good. February 12 (EasternOklahomaStateCollege-OK) ...STARTER...Doesn't have great jumping ability, but positions herself to get rebounds by screening out. Observed more reaction to the ball out of her space in this game to get the rebound.
