2022-2023...November 29 (NorthernOklahomaCollege-Enid) ...STARTER...Nice frame with good strength. January 16 (ConnorsStateCollege-OK) ...STARTER...Form on her three is off the side of her face. Plays hard and gets rebounds just because she wants to. Just not a very good offensive player.																							
2023-2024...November 4/8 (CloudCountyCommunity College-KS/CowleyCollege-KS) ...STARTER...Projected at level 9 as a freshman. Quickness is above average to maybe good. Free throw form is okay although she shoots it a little off the side of her face. Plays hard and is a tough nosed player. January 18 (@MurrayStateCollege-OK) ...STARTER...Ball-handling skills need to improve. January 29 (NorthernOklahomaCollege-Enid) ...STARTER...Form from three is good.

2022-2023... January 16 (ConnorsStateCollege-OK) ...Short guard with decent frame. Needs to firm and tighten up. Speed and quickness is above average. Plays hard. Seems to have good basketball IQ. Has not been an efficient shooter. February 9 (SeminoleStateCollege-OK) ...Lateral quickness is average and tough to play perimeter defense effectively.																							
2023-2024...November 4/8 (CloudCountyCommunity College-KS/CowleyCollege-KS) ...Projected at level 9 as a freshman. Leave her open and will drain the three. Form on her perimeter shot has good form. January 18 (@MurrayStateCollege-OK) ...Catches and shoots it with a quick release. Quickness is above average. January 29 (NorthernOklahomaCollege-Enid) ...Solid body build and not afraid to mix it up. Needs to improve her dribbling skills going to her left.																							
#	LAST	First				Ht	Year	Pos	Hometown: (City, State)				High School		HS Grad	Level

2022-2023...November 29 (NorthernOklahomaCollege-Enid) ...STARTER...Motion of her shot has a hitch in it and too slow getting it off from the perimeter. Needs more upper body strength. January 16 (ConnorsStateCollege-OK) ...STARTER...Shoots her free throw with a hitch as well. Goes to the boards every time. Lacks the lateral quickness to cover the driver with some quickness. Plays hard but is not very skilled. Does not shoot the ball well from perimeter or from mid-range. February 9 (SeminoleStateCollege-OK) ...STARTER...Speed and quickness is above average. Without shooting the ball better, 26% from the field and 27% from three, will be difficult to project at a higher level.																							
2023-2024...November 4/8 (CloudCountyCommunity College-KS/CowleyCollege-KS) ...STARTER...Shot still has a big hitch in it and slow getting it off. Frame is good. Speed and quickness is above average. January 18 (@MurrayStateCollege-OK) ...STARTER...Is not much of a threat from beyond the arc. January 29 (NorthernOklahomaCollege-Enid) ...STARTER...Plays hard.

2023-2024... January 18 (@MurrayStateCollege-OK) ...Needs more upper body strength. Has narrow shoulders. January 29 (NorthernOklahomaCollege-Enid)... Has a hitch in her shot facing up from mid-range or beyond the arc. Hop is too far forward on her three.																						
#	LAST	First	Ht	Year	Pos	Hometown: (City, State)	High School	HS Grad	Level

2022-2023... January 16 (ConnorsStateCollege-OK) ...Needs to run harder in transition. Frame is good. Was shooting the three too flat and needs to speed up her delivery. Speed and quickness is above average. Has been shooting the ball well coming into this game but shot it poorly in this contest. February 9 (SeminoleStateCollege-OK) ...Delivery looked quicker in this game but shot needs better rhythm and better backspin. Did not see her as one to put on the floor and drive it.																						
2023-2024...November 4/8 (CloudCountyCommunity College-KS/CowleyCollege-KS) ...STARTER... Projected at level 8 as a freshman. Knows how to score. Sets up quickly and gets her three off. Deceivingly quick. Solidly built. Seems to have good basketball I.Q. and plays with good composure. Sees the floor and delivers the good pass. January 18 (@MurrayStateCollege-OK) ...STARTER... Averaging 11.5 ppg through 13 games. Needs to be more of a vocal leader and more aggressive in her play. January 29 (NorthernOklahomaCollege-Enid) ...STARTER... Keeps the ball up in the pocket when she receives the ball and has very good form on her perimeter shot. Would like to see her more aggressively work to create scoring opportunities as she is a solid shooter. Needs to drive it more to the basket and create some mid-range shots and not just dribble around the arc.

2023-2024...November 4/8 (CloudCountyCommunity College-KS/CowleyCollege-KS) ...Frame is good but could stand to tone and firm up. Transition speed is above average to good. Needs to tone and get stronger. Free throw form has a little too much arm in it and needs more wrist and finger snap. A little nonchalant in handling the ball. January 18 (@MurrayStateCollege-OK) ...Needs to tone and firm up. Getting up and down the floor needs to improve. Quickness is above average. January 29 (NorthernOklahomaCollege-Enid) ...STARTER... Showed a couple of nice post moves to score. Runs the floor somewhat stiff.

2022-2023...November 29 (NorthernOklahomaCollege-Enid) ...STARTER... Lefty with very good free throw form. Will shoot the three from deep but has a lot of right hand in it. Good frame and decent strength. Will put up the three without hesitation but needs to raise her percentage. Coming into this game shooting 29% from beyond the arc. Needs to develop her right hand on the dribble. Floor speed is good. Quickness is a little deceiving. January 16 (ConnorsStateCollege-OK) ...DNP and coming into the game had been averaging 16 ppg. February 9 (SeminoleStateCollege-OK) ...STARTER... Doesn't have great athleticism. Did not play well in this game. Game needs to become more aggressive in nature. Getting better going to her right and developing the short penetration drive with pull-jumper would benefit her game.																						
2023-2024...November 4/8 (CloudCountyCommunity College-KS/CowleyCollege-KS) ...STARTER... Projected at level 7 as a freshman. Jumps to her right on her shot from the perimeter. January 18 (@MurrayStateCollege-OK) ...STARTER... Did not have a productive game at all. Needs to develop her right hand on the dribble. Offensively relies on shooting from the perimeter and needs to develop other aspects of her game. January 29 (NorthernOklahomaCollege-Enid) ...

2022-2023...November 29 (NorthernOklahomaCollege-Enid) ...Big-bodied wing with deceptive quickness. Very good hands. Length is good. Plays with some aggressiveness and has good strength. . Runs the floor surprisingly well. January 16 (ConnorsStateCollege-OK) ...Capable of putting the ball on the floor and driving it to the basket and using her deceptive quickness gets to the rim. Has the strength to knock people around under the basket but trimming a few pounds could make her more effective with better mobility. Not a good shooter from mid-range or three. February 9 (SeminoleStateCollege-OK) ...Even though not a great shooter from three, if you leave her open she will shoot it and with good form. Pull-up jumper from 15' has good form. Has some upside, but shedding a few pounds and developing her shooting will determine at what level she will be able to play.

2023-2024...November 4/8 (CloudCountyCommunity College-KS/CowleyCollege-KS) ... STARTER...Elevates well on her face-up jumper and form is good, but doesn't connect consistently. Most effective 15' and closer. Nice soft touch. For size has good mobility. January 18 (@MurrayStateCollege-OK) ... STARTER...Coming into this game is averaging 13.7 ppg and 10.5 rebounds. Undersized 4/5. Jumps well and has very good length. Reacts well to the ball coming off the boards. Needs to be more selective on shot selection. Still in need of shedding a few pounds which could be very beneficial to her game. January 29 (NorthernOklahomaCollege-Enid) ...STARTER...Through 16 games is averaging 13.8 ppg and 10.9 rebounds. Has a quick first step. Jumps very well and is a quick jumper. Reacts well to the ball coming off the boards. Elevates well on her 12' mid-range jumper. Doesn't shoot a good percentage on her three, has a lot of arch on it and if it goes in looks great.

2023-2024...November 4/8 (CloudCountyCommunity College-KS/CowleyCollege-KS) ...Needs to tone and drop 10-15 pounds. Not one to drive it and take to the rim. Primarily looks to shoot the three. Speed and quickness is above average. Limited jumping ability. Ball-handling skills need work. January 18 (@MurrayStateCollege-OK) ...Needs to take better care of the ball. Lateral quickness is lacking to cover on the perimeter. January 29 (NorthernOklahomaCollege-Enid) ...
