2023-2024...November 2 (@HutchinsonCommunityCollege-KS) ... <b>STARTER</b> ...Small point guard with decent frame. Needs to tone and tighten up. Handles it well going right or left. <b>January 20 (SewardCountyCommunityCollege-KS) ...STARTER</b> ...Has deceptive quickness. Plays pretty good perimeter defense. Nice pull-up jumper of the dribble from 15'. In the half court handles it well, but tried to dribble against the zone press. <b>February 24 (CowleyCollege-KS) ...STARTER</b> ...Needs to drop 10 pounds. Is not a real threat from three and has only put up 25 from there while hitting less than 20%. Does not have great point guard quickness.

2022-2023...October 28 (Scrimmage)... <b>Very good athleticism. Very quick release on her three. December 12 (Independence CommunityCollege-KS) ...STARTER</b> ... 12 games is shooting the ball well having put up 203 shots and hitting 43%. From three has put up 76 and hitting 42%. Can turn the corner from the high post and get to the rim with excellent to superior quickness. Very good lateral quickness and can cover on the perimeter. Has a very quick release on her shot from beyond the arc and shot has good form. Uses good head and should fakes and if defense takes it at all, she will drive it by her defender. Very good athleticism. <b>January 14 (CowleyCollege-KS) ...Has an uncanny ability to catch on the dead run and stop on balance to get her shot off. Very good to excellent defensive player with very good lateral quickness. Has good instincts to anticipate and get in the passing lane, and very good hands.</b>																						
2023-2024...November 2 (@HutchinsonCommunityCollege-KS) ... <b>SIGNED WITH WICHITA STATE UNIVERSITY. February 24 (CowleyCollege-KS) ...So quick and extremely difficult to guard. You have to honor her outside shooting but if you try to shut that down, she will drive it by you and either pull-up for the jumper or take to rim and finish. Very quick hands defensively.</b>

**2022-2023...October 28 (Scrimmage) ...Needs to get stronger and add a few pounds. Will run the point but ball-handling skills need to improve. Going left on the dribble needs work. Seems to have a good feel for the game. Quickness is good. Solid mid-range pull-up jumper. Has decent length. December 12 (Independence CommunityCollege-KS) ...STARTER... Averaging 11 ppg through the first 12 contests, while pulling down 12 rebounds. Form on her three is very good. Jumps well and can rebound offensively but doesn't have the strength to power back up and score. January 14 (CowleyCollege-KS) ...STARTER ...Form on three is good and gets it off quickly. Lateral quickness is lacking to play perimeter defense effectively and turns her body instead of staying squared up. Needs to run the floor harder. Ball-handling skills need to get better against the press. Needs more stop and go moves and less trying to outrun people with the dribble against full-court pressure. Getting stronger and gaining some weight will be very beneficial.**

**2023-2024...November 2 (@HutchinsonCommunityCollege-KS) ...STARTER...Still needs to gain some weight and get stronger. January 20 (SewardCountyCommunityCollege-KS) ...STARTER...Reacts well to the ball coming off the boards. Committed to many unforced turnovers. Takes too long for her to make a move after receiving the ball. Has good hands. February 24 (CowleyCollege-KS) ...STARTER...Intensity level on both ends of the floor is lacking. Weak going left on the dribble. Can shoot the three and from deep. Needs to play better defense. Jumps well and can rebound okay but not a banger inside.**

**2022-2023...October 28 (Scrimmage) ...Is a spot up shooter and form from three is good. Speed and quickness is above average. December 12 (Independence CommunityCollege-KS) ...STARTER...Through first 12 games, 57 of her 92 field goal attempts have been from three and is hitting almost 44% at this juncture. Frame is good. Did not handle pressure well. Weak passing skills. January 14 (CowleyCollege-KS) ...STARTER ...Good frame. Free throw form is good. Defensive pressure bothered her a lot and dribbling skills need to get better. Speed and quickness is above average. Given time, can shoot the three, but if defended does not have the quickness or dribbling skills to create her own shot or drive it effectively.**

**2023-2024...November 2 (@HutchinsonCommunityCollege-KS) ... Projected at level 9/10 as a freshman. January 20 (SewardCountyCommunityCollege-KS) ...STARTER...Leave her open and can hit the three. Not one to put on the floor and drive it to the basket. February 24 (CowleyCollege-KS) ...STARTER...Floor speed is above average. Quickness is above average. Weak defensively as she is lacking lateral quickness. Can hurt you if you don't cover her beyond the arc as 128 of her 167 field goal attempts have been from three, and is hitting 35%.**

**2023-2024...November 2 (@HutchinsonCommunityCollege-KS) ...Needs to get stronger and add a few pounds. Length is good. Free throw form needs to smooth out some. January 20 (SewardCountyCommunityCollege-KS) ...Form is good on her three. Quickness is good. Athleticism is good. Length is good. February 24 (CowleyCollege-KS) ...Can run the floor. Has not proven to be a good shooter and needs to raise percentages from mid-range and from beyond the arc, even though she did go 4-8 from three in this game.**

**2022-2023...October 28 (Scrimmage) ...Lefty who has good length. Needs to get much stronger particularly in upper body and needs to add some weight. Floor speed is good. Will need to get more aggressive on the boards. January 14 (CowleyCollege-KS) ...STARTER ... Lateral quickness is lacking and plays too straight up and down. Seems lost in up-tempo game. Game is too soft.**

**2023-2024...November 2 (@HutchinsonCommunityCollege-KS) ...STARTER...Projected at level 10/9 as a freshman. Still needs to get a lot stronger and gain several pounds. January 20 (SewardCountyCommunityCollege-KS) ...Runs the floor okay, but uptempo game is not best for her. February 24 (CowleyCollege-KS) ...Post defense is very weak. Fundamentally is weak in most phases of the game.**

**2022-2023...October 28 (Scrimmage) ...Lefty who will hit the three if you give her time to set up. Tried to drive it some but did not see her as a effective penetrator as her quickness is above average. Speed and quickness is above average. Needs to get stronger. Needs to have a good feel for the game. December 12 (Independence CommunityCollege-KS) ...STARTER...Through 12 games averaging 13.9 ppg. Nice pull-up jumper from 15' off the dribble. January 14 (CowleyCollege-KS) ...STARTER ...Very good free throw form. Needs to develop a quicker release on her perimeter shot and needs to shoot it better. Only hitting 24% from three. Needs to develop her right hand on the dribble.**

**2023-2024...November 2 (@HutchinsonCommunityCollege-KS) ...STARTER...Projected at level 8 as a freshman. Still needs to develop a quicker release on her perimeter shot. January 20 (SewardCountyCommunityCollege-KS) ...STARTER...Nice hesitation move coming off the high pick and then finishing down the lane. Doesn't have the quickness to create her own shot. Needs to develop going right on the dribble. February 24 (CowleyCollege-KS) ...STARTER...Needs to run the floor harder. Nice soft touch on her shot. Did not play well at all in this game.**
