2022-2023...January 3 (@ McLennanCommunityCollege-TX) ... STARTER... Small point guard who needs more strength and additional weight. Will shoot the three but is not effective from there. Handles it pretty well and has very good speed and quickness. Not real fundamentally sound. Free throw needs better rhythm. Going left on the dribble needs work. **February 13 (@ClarendonCollege-TX) ... Needs to become more aggressive defensively on a consistent basis. Has nice stop and go motion going to the rim with some explosive quickness. As a point guard, needs to cut down on her turnovers. Size is a major issue to play at any higher levels.**

2023-2024...November 10 (TempleJuniorCollege-TX) ...STARTER... Projected at level 8 as a freshman while at Midland College. Excellent quickness. Handles it well and can create her own shot with stop and go moves and then able to jump quickly and get her jumper off. **November 24/25 (ThreeRiversCommunityCollege-MO/SouthPlainsCollege-TX) ...STARTER...** Really small point guard who needs to get stronger and add some bulk. Can turn the corner and get to the rim with excellent quickness. Size will make it difficult to project higher. Pushes the break well. Form on her shot from beyond the arc needs work. Uses her quick stop and go moves to free herself from the defensive pressure and get by her defender. At times is a little out of control driving it to the basket. **March 13 (CoastalBendCommunityCollege-TX/RegionalTournament) ... STARTER...** Excellent quickness and speed. Sometimes gets to going too fast. Needs to cut down on her turnovers. Only shooting 29% from three.

2023-2024...February 26 (TrinityValleyCommunityCollege-TX) ... Frame is very good but needs to get stronger. Floor speed is above average. Average average jumping ability. Above average athleticism. Executed nice pivot move off the post, but needs to elevate more on her shot. Free throw needs slight adjustment. Needs to play more on the side defensively to keep the entry pass from coming into the post player she is defending and then not plant herself and keep her feet moving. **March 13 (CoastalBendCommunityCollege-TX/RegionalTournament) ... Doesn't have great athleticism.**

<p>2023-2024...November 10 (TempleJuniorCollege-TX) ...Slender 2 guard who needs more strength and weight. Length is very good. November 24/25 (ThreeRiversCommunityCollege-MO/SouthPlainsCollege-TX) ...STARTER...Primarily looks to score from three and form is okay. Lateral quickness is a little suspect and covering the quick wing a challenge. Needs to get lower in her stance and play with more aggressiveness. Lack of strength hurts her when defending the drive and when ball is down low as she gets bumped and can't hold position. Lateral quickness is above average. Runs the floor well. Athleticism is good. Free throw form not bad but needs to get her toe up to the line. March 13 (CoastalBendCommunityCollege-TX/RegionalTournament) ...STARTER...</p>

<p>2022-2023... February 2 (TylerJuniorCollege) ...Strength is good. Free throw form okay. March 8 (JacksonvilleCollege-TX) ...Small guard with good quickness. Form on her three is good. Very good lateral quickness. Very good to excellent quickness. Penetrates hard going either way and makes the good pass to open player. NationalTournament...March 24 (NorthDakotaSCS/CollegeOfSouthernIdaho) ...Transition speed is very good. Coming into the tournament she has put up 179 shots and 106 of them have been from three and from beyond the arc has hit 39%. Plays very good perimeter defense.</p>																						
<p>2023-2024...November 10 (TempleJuniorCollege-TX) ...STARTER...Did not project a level while she was at Blinn College as a freshman. Handles it well and can create her own shot either driving it or shooting the face-up from 15'. Very good to excellent quickness. Can fly up and down the floor and plays on balance. Explosive to the rim and can get by her defender anytime she wants to. November 24/25 (ThreeRiversCommunityCollege-MO/SouthPlainsCollege-TX) ...STARTER...Stroke from three has good form. Needs to get stronger. Can play perimeter defense with her very good lateral quickness. Off the drive, used her left hand nicely to finish. Has good athleticism. March 13 (CoastalBendCommunityCollege-TX/RegionalTournament) ...Jumps very well. Very good to excellent quickness and speed.</p>

<p>2023-2024...November 10 (TempleJuniorCollege-TX) ...Lefty who needs to get stronger and add a few pounds. Speed and quickness is good. November 24/25 (ThreeRiversCommunityCollege-MO/SouthPlainsCollege-TX) ...Off the drive to the rim, used her right hand on the little 6' floater very nicely. Shot from three has too much arm in it and needs to be a little higher in the pocket. Shoots her free throw the same way and sort of pushes the ball from her chin toward the basket. Needs to bring up through her face higher and use wrist and finger snap. March 13 (CoastalBendCommunityCollege-TX/RegionalTournament) ...Speed and quickness is good to very good.</p>

<p>2022-2023...November 8 (GraysonCollege-TX) ...STARTER...Through first 2 games averaging 13 mpg and 14.5 rebounds per game. Length is good. Jumps well and jumps quick and length enhances her rebounding ability. Needs more upper body strength. Uses the board nicely off the drive from the high post. Rebounds well but needs to be strong with the ball and either dribble out of the pressure or make the quick outlet pass. Plays too soft and needs to get more aggressive and if she does will be a decent prospect. Free throw form is good and went 6-7 in this game. Runs the floor well. November 26 (ColumbiaStateCommunityCollege-TN) ... STARTER... Shoots the three well. When posting up needs to be stronger, get big and call for the ball. March 8 (PanolaCollege-TX) ...STARTER... Coming into the tournament is averaging 13.1 ppg and 12.8 rebounds. Very good jumping ability. Very good to excellent transition speed. Move off the post position has very good quickness. Very good lateral quickness and can cover on the perimeter. NAMED SECOND TEAM ALL-AMERICAN</p>																						

2023-2024...November 10 (TempleJuniorCollege-TX) ... November 24/25 (ThreeRiversCommunityCollege-MO/SouthPlainsCollege-TX) ...Great length. Free throw form okay, but more wrist and finger snap would be good. MISSED 8 GAMES FROM NOVEMBER 10 TO NOVEMBER 25. In the open court can handle the ball well. Runs the floor with ease. Needs to go up on balance and be stronger with the ball on her shots down off the low block. Tends to shoot it awkwardly. Not sure how good her hands are. Needs to be stronger with the ball when receiving the pass. Lack of weight and strength makes it difficult to hold position against stronger defenders. Tends to broad jump through her shot off the post rather than going straight up. Okay free throw form. Will put on floor and drive to the rim, but is a little awkward doing it. **March 13 (CoastalBendCommunityCollege-TX/RegionalTournament) ...STARTER...**Has made good strides in her game since seeing her early in the year. Moves off the high post showed good quickness and was more on balance.Length is good.

2022-2023...November 11-12 (WeatherfordCollege-TX/HillCollege-TX) ...STARTER...Free throw form is good but needs to make sure she keeps her weight forward on her front foot and not lean back. Very active all over the court and will go to the boards hard. Frame is good and strength is good. Has good floor speed. Nice drop step move off the back-to-basket post move. Got off to poor start in second game by turning it over a couple of times and picking up 2 silly fouls. Can put on the floor and take to the rim with very good quickness. Just has a lot of natural ability. Has a lot of upside but needs to play smarter at times, like not making silly fouls. Has the lateral quickness to cover on the perimeter. Jumps well and has good athleticism. November 15 (RedlandsCommunityCollege-OK) ... Will make a good move offensively and then going after the missed shot, will make a silly foul. Has some upside but will need to play under control. Has level 6 abilities but game needs more consistency. If she will clean up her game and play to her strengths, she could become a very good prospect. November 26 (HillCollege-TX) ...STARTER... Runs the floor well and can catch on the dead run, gather, and lay it in. Had a very good first half with 16 points. Defensive intensity needs to increase. Plays hard most of the time and then all of a sudden will just stand and watch. When playing the post, needs to be active, get big, and call for the ball. March 8 (TrinityValleyCommunity College-TX) ...HAS NOT PLAYED SINCE DECEMBER 3, 2022.

2023-2024...November 10 (TempleJuniorCollege-TX) ...STARTER...As a freshman at Paris Junior College, projected at level 6/5?, but wound up only playing 11 games. Runs the floor with ease and very good speed. Detected a little bit of an attitude. **November 24/25 (ThreeRiversCommunityCollege-MO/SouthPlainsCollege-TX) ...STARTER...**Can rebound with authority. Frame is good. Length is good. Very good strength. Does a good job of posting big and calling for the ball. Post moves need work. Needs to do a better job of screening off the boards. Can run the floor okay, but needs to run it harder all the time. Free throw form is good. **March 13 (CoastalBendCommunityCollege-TX/RegionalTournament) ...STARTER...**Above average athleticism. Free throw form is good.
