2023-2024...November 1/10 (@GraysonCollege-TX/McLennanCommunityCollege-TX) ... STARTER. November 24/25 (LSU-Eunice-LA/NorthwestFloridaStateCollege) ...Quickness is good. Form on her shot needs work. Frame is good with very good strength. Didn't see a point guard mentality. Free throw needs stronger upward follow-through. March 13 (TrinityValleyCommunityCollege-TX/Region14Tournament) ... STARTER...Gets up and down the floor with excellent speed.

2023-2024...November 1/10 (@GraysonCollege-TX/McLennanCommunityCollege-TX) ...STARTER. Nice frame. November 24/25 (LSU-Eunice-LA/NorthwestFloridaStateCollege) ...STARTER...Jumps well. Quickness is good but not great, and as a point guard a little lacking. Strength is good. Length for her size is good. Handles it pretty well, but going left needs to improve. Averaging 12.3 ppg coming into this game. Will play some point but ball-handling skills need work. With drive it some and has the strength to go up off the drive with contact. March 13 (TrinityValleyCommunityCollege-TX/Region14Tournament) ...SINCE JANUARY 31 HAS ONLY PLAYED IN ONE (1) GAME.

2022-2023... November 26 (HillCollege-TX) ... For size has good strength. March 8 (TrinityValleyCommunity College-TX) ... STARTER ... Stroke from three has nice form. Free throw needs better rhythm. Athletic and jumps very well. Averaging 9.3 ppg. WILL BE RETURNING NEXT YEAR.

2023-2024...November 1/10 (@GraysonCollege-TX/McLennanCommunityCollege-TX) ...STARTER. Not projected as a freshman. Still shoots her free throw with a jerky motion. Length is good. November 24/25 (LSU-Eunice-LA/NorthwestFloridaStateCollege) ...Frame is good but could stand more upper body strength. Floor speed is good. Nice looking 12' face-up jumper. Weak passing skills. Needs to develop a better follow-through on her jumper and elevate more. Okay dribbling skills but needs to be make moves with a purpose. Passing skills need to improve by making sure receiver of the pass is open. March 13 (TrinityValleyCommunityCollege-TX/Region14Tournament) ...STARTER...Ball-handling skills need to get better. Shooting percentages are not where they need to be to project to a higher level.

2023-2024...November 1/10 (@GraysonCollege-TX/McLennanCommunityCollege-TX) ...Frame is good with good strength. November 24/25 (LSU-Eunice-LA/NorthwestFloridaStateCollege) ...Comes in off the bench. Stocky undersized post player. Tends to overcommit defensively on the perimeter and gets turned allowing the ball-handler to drive by her. March 13 (TrinityValleyCommunityCollege-TX/Region14Tournament) ...STARTER... Doesn't run the floor real smoothly. Face-up from 15' has good form.

2022-2023...November 11-12 (WeatherfordCollege-TX/HillCollege-TX) ... Needs to get stronger and add some weight. Free throw form needs work, has a little hitch to it and needs to smooth it out. Free throw form not bad but could develop a little more rhythm. Jumps very well. Plays too soft and needs to become much more aggressive particularly going to the boards. Will put up the three but not sure she needs to be doing it. Quickness is above average to good. November 15 (RedlandsCommunityCollege-OK) ... STARTER ... Length is very good. Got injured early and did not return to game. Even though she could stand to play more aggressively, is getting some boards with her hustle (6.4 rb). November 26 (HillCollege-TX) ... STARTER ... Runs the floor very well. Speed and quickness is good to very good. March 8 (TrinityValleyCommunity College-TX) ... STARTER ... Transition speed is very good. Shooting her free throw with real high arch which haven't seen before. Averaging 8.3 ppg and 7 rebounds. Free throw conversion needs to improve.

2023-2024...November 1/10 (@GraysonCollege-TX/McLennanCommunityCollege-TX) ...STARTER. Projected at level 8 as a freshman. Still needs more strength and additional weight. November 24/25 (LSU-Eunice-LA/NorthwestFloridaStateCollege) ...STARTER...Length is good. Needs to smooth out her free throw form. Has a jerky motion to it. Defensive principles need work, like see man see ball. Plays lazy defense. Doesn't have the weight nor strength to keep the larger stronger post player from displacing her defensive position. Primarily sets picks on the perimeter. Runs the floor well with good speed. Jumps well but not great. When down on the low block, needs to go up with authority to finish the easy bucket. Plays too soft. March 13 (TrinityValleyCommunityCollege-TX/Region14Tournament) ...Not a threat to hurt you from three having only put up 9 shots from beyond the arc all season.

2023-2024...November 1/10 (@GraysonCollege-TX/McLennanCommunityCollege-TX) ...STARTER...Big bodied undersized post player. Lefty. Basketball I.Q. questionable. November 24/25 (LSU-Eunice-LA/NorthwestFloridaStateCollege) ...Very good length. Floor speed is above average. Strength is very good. March 13 (TrinityValleyCommunityCollege-TX/Region14Tournament) ...Previously observed her floor speed as above average, but revising to good, just needs to do it all the time. For size is very mobile. Size will get her some attention.
