2023-2024...November 25 (KilgoreCollege-TX) ...Have not seen enough to evaluate effectively. **January 2 (FrankPhillipsCollege-TX) ...** Reserve off the bench. Good frame. Quickness is above average and running the floor is the same. **March 15 (NewMexicoJuniorCollege/Region5Tournament) ...**Stepped out and hit a three but tends to drop her right shoulder on her shot. Strength is very good and can finish with contact. **March 27-April1/DINationalTournament (EasternArizonaCollege) ...**Lacks the quickness and ball-handling ability to create her own shot. Given time can hit the three even with the drop of her right shoulder. Floor speed is above average.

2022-2023...November (SeminoleStateCollege-OK) ...STARTER...Very small point guard who has good to very good quickness but not great quickness but is shifty and with good body fakes able to get by her defender. Seems to have a good feel for the game. Free throw form is good, but need to make sure she follows through at a 45 degree angle and not at the waist. Jumps very well for her size and has a sneaky way of getting to the rim and puts on the brakes and elevates well to get her shot off in traffic and finish. Also does well at seeing the open perimeter player on her penetration and able to get the ball to them. Shooting the ball extremely well here early, getting 8 hustle rebounds a game. **January 23 (@ GraysonCollege-TX) ... STARTER...**Jumps very well for size. Better quickness than first observed and would call it very good to excellent. Committed some mental errors in this game and did not handle the pressure, turning it over 4 times. **March 9 (ClarendonCollege-TX) ... STARTER...**Coming into the tournament is averaging 12.6 ppg with solid shooting numbers. Feel for the game is pretty good but periodically decision making not always sound. **NationalTournament...March 22 (CochiseCollege-AZ) ...STARTER ...**Part of the decision-making has to do with forcing the penetration or shot and not being more patient. On her penetration, tends to drive through the shot and not go up for it. **NAMED HONORABLE MENTION ALL-AMERICAN**

2023-2024...November 10 (KilgoreCollege-TX) ...STARTER...As a freshman, projected at level 6/5?. Playing with a little more composure than as a freshman. **November 25 (KilgoreCollege-TX) ... STARTER...SIGNED WITH UNIVERSITY OF NORTH TEXAS. January 2 (FrankPhillipsCollege-TX) ...STARTER...**Really hard to guard her with her ability to hit the three as well as drive it with her quickness and ability to dish. In a zone in this game going 12-14 from the field, 4-6 from three, along with 10 rebounds. **March 15 (NewMexicoJuniorCollege/Region5Tournament) ...STARTER...** **March 27-April1/DINationalTournament (EasternArizonaCollege) ...STARTER...**Had a great season but felt like she was a little flat at the National Tournament. Did not shoot the ball as well as she had throughout the season. Solid point guard who will contribute at the next level.

2022-2023...November (SeminoleStateCollege-OK) ...Nice crossover move from the high post taking it to the basket and can do it with very good quickness. November 25 (TylerJuniorCollege-TX) ...Needs to be stronger pulling down the rebound and protect the ball. Jumps very well. Can run the floor. A little raw in her game. January 23 (@ GraysonCollege-TX) ...Not a threat from beyond the arc. Limited playing time in this game. Role player on this team.

2023-2024...November 10 (KilgoreCollege-TX) ...STARTER... November 25 (KilgoreCollege-TX) ...STARTER... Shoots her free throw with too much left hand and rotation is off, and is almost a knuckle ball. Undersized post player who has some aggressiveness to her game. Jumps very well. Not one to move out and shoot the three. Has not been to the charity stripe much, but needs to be more consistent there and raise her percentage. **January 2 (FrankPhillipsCollege-TX) ...STARTER...** Needs more upper body strength. Free throw form was better. Executed nice drop step move and finished with her left hand. Did not finish well in this game. **March 15 (NewMexicoJuniorCollege/Region5Tournament) ...STARTER...** Length is very good. **March 27-April1/DINationalTournament (EasternArizonaCollege) ...STARTER...** Free throw needs better backspin—shoots a knuckle ball.

2023-2024...November 10 (KilgoreCollege-TX) ...STARTER... Small guard with good strength. **November 25 (KilgoreCollege-TX) ...STARTER...** Very good quickness. Handles it well. Have not seen her to be effective from beyond the arc. **January 2 (FrankPhillipsCollege-TX) ...STARTER...** Free throw form needs some form work. To this point in the season, still not a threat to hurt you from three. Can push the break. **March 15 (NewMexicoJuniorCollege/Region5Tournament) ...STARTER...** Has explosive quickness to the basket. Mid-range jumper has good form. Handles it well and can go either direction. Will play either the point or 2 guard. Previous observation about shooting the three wasn't correct in this contest as she was converting nicely. **March 27-April1/DINationalTournament ((EasternArizonaCollege) ...STARTER...** Needs to raise her shooting percentage from three. Had some concern about her free throw earlier but wound up shooting 83.5% on 85 attempts.

2022-2023...November (SeminoleStateCollege-OK) ...Has the quickness to drive it by her defender from the perimeter. Needs more upper body strength and needs to add some weight. Handles it well and can create and get to the basket with good ball-handling moves. Speed and quickness is very good. Very athletic. November 25 (TylerJuniorCollege-TX) ...Free throw form is pretty good but needs to slow her motion down a little. March 9 (ClarendonCollege-TX) ... Elevates well on her short jumper. Form on her shot from three is good. Transition speed is very good. NationalTournament...March 22 (CochiseCollege-AZ) ...Pressure bothered her in this game.

2023-2024...November 10 (KilgoreCollege-TX) ...STARTER... Projected at level 7/8 as a freshman. Nice stroke from three. Really needs to get stronger and add some weight. Very good elevation off the dribble on her jumper going to her left. Has very good lateral quickness. **November 25 (KilgoreCollege-TX) ...STARTER...** Excellent jumper. Even though here shot from three has good form, she is not one to look to score from there. **January 2 (FrankPhillipsCollege-TX) ...STARTER...** Puts good zip on her passes. Quickness is very good. Floor speed is very good. **March 15 (NewMexicoJuniorCollege/Region5Tournament) ...STARTER...** Will put on the floor and get to the rim quickly. Has good body control taking to the basket in traffic. Plays hard on both ends. To be effective at the next level must add some weight and get stronger. **March 27-April1/DINationalTournament (EasternArizonaCollege) ...STARTER...** Great leaper. Not a threat from three at this point and developing this part of her game could be a great asset for her.

2023-2024...November 10 (KilgoreCollege-TX) ... Good frame. Nice form on her three. November 25 (KilgoreCollege-TX) ...Strength is good. Very good free throw form. Form on her three is good. Shooting percentages from the field need to get better. January 2 (FrankPhillipsCollege-TX) ...Has above average to good quickness. March 27-April1/DINationalTournament (EasternArizonaCollege) ... Even though the form on her shot from three is okay, did not convert well from there at all during the season and something that needs to improve.

2022-2023...November (SeminoleStateCollege-OK) ... STARTER...Lefty with nice frame and good strength with great shoulder width. Very good quickness diving it to the basket. Plays hard and is always around the ball by rebounding, on the floor after loose ball, or defensively by anticipating and intercepting the pass. Does a great job of following her mid-range shot or drive to pick up the loose ball and quickly putting the ball back up. Knows how to play. Tends to do a little too much and needs to just make the easy play. Shot from three has good form, but is most effective putting the ball on the floor and penetrating and either finishing or drawing the defense and kicking to open teammate. November 25 (TylerJuniorCollege-TX) ...STARTER...Will post her defender up and just out-quicks her defender. January 23 (@ GraysonCollege-TX) ...STARTER...Very effective with her floating jumper off the break. Seemed out of sync in this game, and turned it over too much. March 9 (ClarendonCollege-TX) ...STARTER...Is averaging 16.5 ppg and 6 rebounds coming into this game. A "go to" player. Not a great threat from three as she is only hitting 24% of the 75 attempts. Reacts quickly on defense to what the offensive player is doing, passing or driving and causes a lot of deflections. At times tries to shoot her shot too quickly rather than gather herself and go up for the shot. NationalTournament...March 22 (CochiseCollege-AZ) ...STARTER ... **NAMED SECOND TEAM ALL-AMERICAN**

2023-2024...November 10 (KilgoreCollege-TX) ...STARTER...Projected at level 3 as a freshman. When the ball is in her hands, typically good things will happen. Very difficult to predict what she will do. Really executes a quick hesitation and go move to free herself on the drive. Has the ability to score from anywhere. November 25 (KilgoreCollege-TX) ...STARTER...Has the ability to see the next pass she will make before she receives the ball. January 2 (FrankPhillipsCollege-TX) ...STARTER...Got into early foul trouble and had limited playing time. March 15 (NewMexicoJuniorCollege/Region5Tournament) ...STARTER...Plays smart defense. Great on-court demeanor. Has maturity and leads the team. Tends to never change expressions. Very good quickness and speed. March 27-April1/DINationalTournament (EasternArizonaCollege) ...STARTER...Excellent passer. Very good basketball IQ. Setting up visits per this update (04-03-24).

2023-2024...November 10 (KilgoreCollege-TX) ...Big bodied 4 who struggles defensively covering on the perimeter. January 2 (FrankPhillipsCollege-TX) ...Needs to tone and trim a few pounds, in hips. Runs a little awkward. March 15 (NewMexicoJuniorCollege/ Region5Tournament) ...In off the bench. Strength is good. March 27-April1/DINationalTournament (EasternArizonaCollege) ...Runs the floor okay.
