2023-2024...January 2 (GraysonCollege-TX) STARTER... Projected at level 7 as a freshman. Stroke from three has good form. Seems to have pretty good court sense and shoots the three with good form. Doesn't have the guickness to create on the perimeter and drive it to the basket. Needs to get better going left on the dribble. Plays hard. January 27 (@MurrayStateCollege-OK) ... STARTER...Hard-nosed combo guard. Will get a number of hustle rebounds. Will drive it to the basket and has shot 39 free throws but not consistent from the charity stripe. Best suited to be a 2 guard as opposed to running the point. February 22 (@NorthernOklahomaCollege-Tonkawa) ... STARTER... Did better job of handling the pressure against the press. Saw more playmaking ability out of her in this game. Saw some deceptive quickness in her game that had not been previously observed. Seems to have a nose for the ball off the boards. Free throw form looks good, but only converting in the low 60's for the year. March 26-April 1/DINationalTournament (CollegeOfSouthernIdaho)STARTER....Plays hard. Getting some level 5 looks and is open to going anywhere. AVAILABLE 04-02-24.

2022-2023... March 8 (ParisJuniorCollege-TX) ... Okay frame. STARTER ... Transition speed is good. Needs a little wider base on her free throw. NationalTournament...March 24 (McLennanCommunityCollege-TX/JonesCollege-MS/EasternFloridaStateCollege) ...Has not been effective from three in her time off the bench.

2023-2024... January 2 (GraysonCollege-TX) ... STARTER... Did not project as a freshman while at Trinity Valley, and stats and eval from 22-23 is from her time there. Soft touch on her free throw. Needs to run the floor harder. Has some natural ability and can create some from the perimeter. Needs to play harder. January 27 (@MurrayStateCollege-OK) ... STARTER... Tends to flip her shot from 15' and needs to bring the ball up in the pocket. Same is true for her free throw. Has decent frame. Reacts too much to officials calls and see a little bit of an attitude. Has the size and jumping ability to be a better rebounder, but has not shown the willingness to do it. February 22 (@NorthernOklahomaCollege-Tonkawa) ... Needs to run the floor harder. Game needs more intensity on both ends of the court. Puts good zip on her passes. Needs more upper body strength. March 26-April 1/DINationalTournament (CollegeOfSouthernIdaho)STARTER... Have not seen a willingness to play hard in any phase of the game. As previously observed, has some natural ability, but the light bulb has not come on.

2023-2024...January 2 (GraysonCollege-TX) ... Nice looking stroke from three. Needs more upper body strength and a little more weight. Has decent length. Speed and quickness is above average to maybe good. January 27 (@MurrayStateCollege-OK) ... Needs more upper body strength and also needs weight. February 22 (@NorthernOklahomaCollege-Tonkawa) ... Shooting percentages from three and mid-range need to improve. Form on her three is good. March 26-April 1/DINationalTournament (CollegeOfSouthernIdaho)

2023-2024...January 2 (GraysonCollege-TX) ... STARTER...Frame is good. Has good length. Did a nice job of catching on the run, gathering herself and finishing. Has some upside. January 27 (@MurrayStateCollege-OK) ... STARTER... Needs better rhythm on her free February 22 (@NorthernOklahomaCollege-Tonkawa) ... with more knee bend. A little heavy-legged. Will go hard to the boards. Offensively, production comes inside the paint off the low block. STARTER...Can run the floor but needs to be consistent doing it every time. Length is very good. Needs to play harder. Post defense needs work. Shoots the jumper from 15' from too low in the pocket. March 26-April 1/DINationalTournament (CollegeOfSouthernIdaho) STARTER... Has put up 87 shots from three but converting only 24%. Needs to focus on developing her midrange game and low block moves, along with becoming more of a boarder.
