2023-2024...November 1/10 (Paris Junior College-TX/LSU-Eunice) ...Really small point guard with okay strength. Needs to play under control and ball-handling needs to get better. Shoots her shot with funny hand position. Needs to get stronger and add some weight. November 25 (TylerJuniorCollege-TX) ...STARTER...Quickness is good to very good. Pressure tends to speed her game up, and she needs to play more under control and not use just straight ahead speed. Needs more stop and go and hesitation moves to keep defenders off balance. January 2 (ConnorsStateCollege-OK) ...STARTER...Previously said okay strength but changing to needs more strength. Length is good. January 10 (TempleCollege-TX) ...STARTER...Shoots her free throw with a lot of left hand and perimeter shot the same.

2022-2023...November 25 (CollinCollege-TX) ... STARTER...Small point guard who needs to get stronger. Free throw form is good but needs a little more knee bend to smooth out her motion. Struggles containing the quick perimeter guard. February 2 (@ BlinnCollege-TX) ...Averaging 10.3 ppg coming into this game. Floor speed is very good. Form not bad on her three but has only attempted 37 from beyond the arc and only hitting 18.9%. Very good lateral quickness to cover on the perimeter. Speed and quickness is very good. March 8 (KilgoreCollege-TX) ... STARTER ... 10.7 ppg coming into the tournament. Not a threat from three (23.3% on 43 attempts), but converts well from the field (53.5%).

2023-2024...November 1/10 (Paris Junior College-TX/LSU-Eunice) ...STARTER. Stats for 22-23 reflect her year at Tyler JC. Projected at level 7/6? as a freshman. Free throw needs better rhythm. Has the quickness to drive it by her defender, but needs to be under better control in traffic and not force it. Excellent first step but needs to play more under control. Needs to get stronger and add a few pounds. **January 10 (TempleCollege-TX) ...Floor speed is very good.**

2022-2023...November 8 (AngelinaCollege-TX) ...STARTER...Very good strength and nice frame. Okay free throw form. Tends to hesitate at the top of her free-throw. Jumps well and reacts out of her space to rebounds coming off the board. Can shoot the three. November 11-12 (SouthPlainsCollege-TX/PanolaCollege-TX) ...STARTER...Excellent quickness driving the ball to the basket but needs to make sure she is under control. Excellent speed and quickness. November 25 (KilgoreCollege-TX) ...Free throw form is good but would like to see a little wider base and keep her weight on her front foot. Has the lateral quickness to cover 94'. January 23 (CollegeCollege-TX) ...Jumps very well. Has the strength and body to aggressively take the ball to the rim and finish with body contact. Has very good floor speed but needs to run the floor harder every trip. Lateral quickness and footwork not there to cover the quick player on the perimeter. March 9 (NewMexicoJuniorCollege) ...Coming into the tournament is averaging 11.5 ppg and 8 rebounds. Shooting 38% from the field.

2023-2024...November 1/10 (Paris Junior College-TX/LSU-Eunice) ...STARTER. Projected as a freshman at a solid level 6. **January 10 (TempleCollege-TX) ...Came off the bench in this game. Jumps really well and will go to the boards effectively. Strength is very good. Tends to force the ball on the dribble when penetrating to the rim. SIGNED WITH UNIVERSITY OF TEXAS EL PASO.**

2023-2024...November 1/10 (Paris Junior College-TX/LSU-Eunice) ...STARTER. Shoots the ball a little off the side of her face but otherwise good form. Needs more upper body strength. **November 25 (TylerJuniorCollege-TX) ...STARTER...** Sets up quickly to get her perimeter shot off, and uses her pick to create the space for open shot. Quickness is good. Not effective putting on the floor and driving it. Will get some level 6 looks with her outside shooting. **January 2 (ConnorsStateCollege-OK) ...STARTER...** Needs more weight. Passing skills need work. Tends to float her passes. **January 10 (TempleCollege-TX) ...STARTER...** Even shooting the ball off the side of her face, she was in a pretty good zone in this game. Sets up and gets her shot off quickly. Has good athleticism. Jumps well.

2023-2024...November 1/10 (Paris Junior College-TX/LSU-Eunice) ...No stats from 22-23. Great frame. Runs the floor well. November 25 (TylerJuniorCollege-TX) ...STARTER... Nice drop step move off the post position. Move off the post position is very quick and post defenders have tough time guarding her. Free throw form is very good. Needs to develop better post defense by denying the post pass, and not just stand behind. **January 2 (ConnorsStateCollege-OK) ...Length is very good. Jumps well. Has good floor speed. January 10 (TempleCollege-TX) ... Post defense needs work. (6/5?) COMMITTED TO LOUISIANA-LAFAYETTE.**

2023-2024...November 1/10 (Paris Junior College-TX/LSU-Eunice) ...STARTER. Nice frame and body. Could stand to tone and tighten up some. Jumping ability is average to above average. Form on her three is good and was more effective facing up than around the basket. Will need to finish better point blank. Okay free throw form but a little heavy arm motion and off the side of her face. Struggles some in an up-tempo game, particularly on the defensive end. **November 25 (TylerJuniorCollege-TX) ...Coming into this game is averaging 11.5 ppg along with 8 rebounds. DID NOT PLAY AS SHE WAS SICK. January 2 (ConnorsStateCollege-OK) ...STARTER...** Has above average quickness, and toning and dropping a few pounds could be beneficial. Jumping ability is average. Did a better job of finishing around the low block in this game. **January 10 (TempleCollege-TX) ...STARTER...** Jumping ability is above average and not just average and really works hard on the boards. Has good hands. Rebounds the ball strong and protects the ball with good arm movement and pivoting.

2023-2024...November 1/10 (Paris Junior College-TX/LSU-Eunice) ...Undersized post player who needs to finish better off the low post. Needs to tone and tighten up. Runs the floor okay. Free throw form needs work. November 25 (TylerJuniorCollege-TX) ...Quickness is above average to maybe good. Not a threat from beyond the arc. January 10 (TempleCollege-TX) ...Floor speed is above average. Frame is okay but does need to tone and tighten up. Has the strength to hold her own inside.

			Strength	Agility	Passing	Jumping	BB IQ	Shot Selection			

2023-2024... November 25 (TylerJuniorCollege-TX) ... STARTER... Frame is good. Passes the ball with some zip on it. Lateral quickness is lacking to cover the quick perimeter player. Sees the open player and makes the good assist pass. Very good court vision. Like her basketball I.Q. Doesn't have great quickness, but understanding of the game compensates for it. Did not look to score from the perimeter. **January 2 (ConnorsStateCollege-OK) ...Wears a knee brace and probably hampers her quickness and speed some. Lateral quickness is above average. Came off the bench in this game. January 10 (TempleCollege-TX) ...**
