2023-2024...March 18 (SouthwesternMichiganCollege) ...Free throw needs more knee bend. Same is true on her three. Little nonchalant at times. Needs to run the floor harder, tends to trot back. Very good strength. Snaps her passes.

2023-2024...March 18 (SouthwesternMichiganCollege) ...Slender upper body. Length is good. Needs to get stronger and gain some weight. Struggled early getting up and down the floor, seemed to be out of breath, but can run with decent speed. Face-up from 15' has okay form. Down low can use her left hand effectively. Needs more strength to power up through defender down low. Hands? Not a great offensive threat. Nice low post move but needs to elevate more on the finish. Averaged 8.4 rebounds a game throughout the season.

2023-2024...March 18 (SouthwesternMichiganCollege) ...Slender wing who needs more strength and weight. Drives it and dishes nicely. Quickness is good. Quick hands on defense. Puts good zip on her passes. Very good quickness. Had 10 points, 11 rebounds, and 5 assists. Length is good. Plays savvy defense. Jumps well and is a sneaky rebounder. Not a threat from three.

2023-2024...March 18 (SouthwesternMichiganCollege) ...Averaging 11.9 ppg. Above average quickness. Needs to tone and firm up. Runs the team. Seems to have a good feel for the game. Stroke from three has good form. Doesn't have the quickness and ball-handling ability to escape the pressure defense. Needs a little deeper knee bend on her free throw.																					
#	LAST	First	Ht	Year	Pos	Hometown: (City, State)		High School		HS Grad	Level

2023-2024...March 18 (SouthwesternMichiganCollege) ...Nice stroke from three. Needs to tone and firm up. Has above average to maybe good quickness. Limited jumping ability. Needs to get better going left on the dribble. Not one to create shot on the perimeter. Doesn't have great lateral quickness to cover the quick guard on the perimeter.
