2023-2024...November 16/17 (TrinityValleyCommunityCollege-TX/HillCollege-TX) ... Too much arm motion in her perimeter shot and same is true on her free throw. March 27-April 1/DINationalTournament (NorthDakotaSCS) ... Has played only sparingly all year long.

2022-2023...February 23 (@FrankPhillipsCollege-TX) ... STARTER ... Length is good. Needs more weight and strength. Transition speed is good. Quickness is good. March 9 (McLennanCommunityCollege-TX) ... Role player.																						
2023-2024...November 16/17 (TrinityValleyCommunityCollege-TX/HillCollege-TX) ... STARTER ... Did not project as a freshman. Very good dribble. Still needs to get stronger and add some pounds. Needs to get better going to her left on the dribble. Form on her free throw needs work. Shoots it with a lot of left hand. STARTER ... Not a great ball-handler and needs to get better with her left hand. Speed and quickness is very good. December 16, 17 (@SewardCountyCommunityCollege-KS/OteroCollege-CO) ... Pushes the break well. Did a much better job of handling the pressure defense, showing better ability to go to her left. Handled it much better than originally observed. Anticipates very well defensively. Excellent floor speed. Free throw form needs some adjustment. Came off the bench against Seward and was very effective offensively, to go along with her 7 steals. Quickness, athleticism, and jumping ability gets hustle rebounds. March 15 (ClarendonCollege-TX/Region5Tournament) ... Don't see the ability to create her own shot. March 27-April 1/DINationalTournament (NorthDakotaSCS) ... STARTER ... Has not shot the free throw well all season, attempting 80 coming into the tournament and only converting 44%.

2022-2023...February 18 (@HutchinsonCommunityCollege) ... Nice frame. Runs the floor well. Length is good.																						
2023-2024...November 16, 17 (@SewardCountyCommunityCollege-KS/OteroCollege-CO) ... Did not project a level while she was at Northwest Kansas Technical College. DID NOT PLAY IN EITHER GAME DUE TO EJECTION AGAINST LAMAR. December 16 (@SewardCountyCommunityCollege-KS) ... Frame is good. Runs the floor well. Needs to finish better down off the low post. Jumps very well, which along with good strength should make her a very good rebounder. Development of her mid-range and low-block game could enable her to project higher. March 15 (ClarendonCollege-TX/Region5Tournament) ... Questionable basketball IQ. March 27-April 1/DINationalTournament ((NorthDakotaSCS) ... STARTER ... Needs to be more aggressive and become a better rebounder. Offensive game needs a lot of work and development.

2022-2023... November 26 (PanolaCollege-TX) ...Needs more upper body strength. March 9 (HillCollege-TX) ...Limited production throughout the year and did not play in the last four games.																						
2023-2024...November 16/17 (TrinityValleyCommunityCollege-TX/HillCollege-TX) ...Length is good. Needs more upper body strength, otherwise frame is good. Nice stroke from three. Form on free throw is good but backspin is off. December 16, 17 (@SewardCountyCommunityCollege-KS/OteroCollege-CO) ...Speed and quickness is good. Had productive games against TVCC and Hill, but then very little production for next several games. March 27-April 1/DINationalTournament ((NorthDakotaSCS) ...Very limited playing time in the tournament.

2022-2023...February 18 (@HutchinsonCommunityCollege) ... STARTER...Needs to get stronger and add some weight. Post moves are very awkward and with very little elevation on her shot. Very good length. Motion on her free throw has too much arm motion.Runs the floor well. Free throw shooting needs a lot of work. Has only hit 30% of 85 attempts.																						
2023-2024...November 16/17 (TrinityValleyCommunityCollege-TX/HillCollege-TX) ...Did not project as a freshman while at Northwest Kansas Technical College and the notes in blue are from her time there. DID NOT PLAY IN EITHER GAME DUE TO EJECTION AGAINST LAMAR. December 16, 17 (@SewardCountyCommunityCollege-KS/OteroCollege-CO) ...Still needs to get stronger and add weight and has the frame to do so. Rebounds well and with authority. Very good hands. Free throw form needs a lot of work, but form on her three not bad. Lateral quickness is good. Length is good. Runs the floor okay but not real smoothly. Showed good body control catching the ball on the run close to the basket and then going up for the easy shot. March 15 (ClarendonCollege-TX/Region5Tournament) ...STARTER...Will need to get stronger to be able to go up through contact and finish on the low block. March 27-April 1/DINationalTournament (NorthDakotaSCS) ... STARTER...Averaging 11.7 ppg and 6.1 rebounds coming into the tournament. Weak defensive post player. Wants to block everything. Jumps very well. Did not have a good tournament, going scoreless in the first game.

2022-2023...February 23 (@FrankPhillipsCollege-TX) ... STARTER...Averaging 10.3 ppg coming into this game. Free throw form is good. Knows how to post up and where her defender is and able to make a quick move to score off the low block. Knows how to keep her defender on her hip when posting up. Puts good zip on her passes. Has good passing skills, and sees the floor well and makes the good pass from 25-30' on the money with good velocity. Plays hard on defense but has a tendency to foul and has to sit too much because of it. Ball-handling skills need to get better to play the point effectively. Has good upside. March 2 (HowardCollege-TX) ... Lateral quickness and defensive rules are lacking. When girl she is guarding passes the ball she loses her by turning and following the ball with her eyes. And then she make unnecessary fouls. Struggles offensively with poor shooting in games observed. March 9 (McLennanCommunityCollege-TX) ...STARTER...Three point shooting has not been effective as it needs to be converting 27% on 62 attempts. Averaging 10.3 ppg coming into the tournament.																						
2023-2024...November 16/17 (TrinityValleyCommunityCollege-TX/HillCollege-TX) ...STARTER...As a freshman, projected at level 7/6?. Still needs to add some weight and get stronger. Uses the board very well. Playing some point guard and directs traffic. Nice form on her three. Length is good. Keeps her defender off-balance with effective stop an go moves. Last year did not see her shoot the ball well in times observed, but not the case this year. Verses Trinity Valley went 10-13 from the field and 4 of 4 from the line. Shooting it quite well. Like her basketball I.Q. Did turn it over too much with 8. 16, 17 (@SewardCountyCommunityCollege-KS/OteroCollege-CO) ...STARTER...(WEARS 14 IN WHITE) As good as she was in the Trinity Valley game, she was as bad in the first half of this game. Needs to develop her left hand on the dribble. Sees the floor well. December 16 (@SewardCountyCommunityCollege-KS) ...Has the frame to get stronger and needs more upper body strength. Does a good job of running the show. Has good basketball I.Q. Floor speed and quickness is very good. Handles it well, but needs to correct the travel before putting on the floor from the perimeter. March 15 (ClarendonCollege-TX/Region5Tournament) ...STARTER...Needs to develop a quicker release on her shot, both mid-range and from three. Style of play lends itself to turnovers, but at the next level will need to take better care of the ball. March 27-April 1/DINationalTournament (NorthDakotaSCS) ... STARTER...Averaging 18.1 ppg coming into the tournament. Seemed a little flat in the tournament. Did average 16 a game for the two they played. Turnovers were an issue for her in both games, and again this needs to be cleaned up. NAMED TO THE ALL-TOURNAMENT TEAM.

<p>2022-2023...February 23 (@FrankPhillipsCollege-TX) ...STARTER...Multiple position player who needs to get stronger in upper body and add a few pounds. Runs the floor well. Free throw form is okay. Free throw form is good. Has good quickness. Has the mobility and lateral quickness to cover pretty well on the perimeter. Transition speed is good. March 2 HowardCollege-TX)...Has the mobility and athleticism to be an effective rebounder but aggressiveness to do so is not there. Only averaging just under 6 per game. March 9 (McLennanCommunityCollege-TX) ...STARTER...Will move out on the perimeter in the offense but not looking to put up shots from there. Coming into the tournament is averaging 9.4 ppg and 5.8 rebounds. With her size and mobility, should be getting more rebounds.</p>																						
<p>2023-2024...November 16/17 (TrinityValleyCommunityCollege-TX/HillCollege-TX) ...STARTER...Projected at level 7 as a freshman. Still needs to get stronger and gain some weight. Great length. STARTER...Really long. Not real smooth in and around the basket. Runs the floor well. Reacts well to the ball coming off the boards. Jumps okay but not a great leaper. When she receives the ball on the post can wheel and make nice quick move to the rim. Jumping ability is average to maybe above average. Free throw form is good, but needs to drop her left foot back some. Post defense is very weak. December 16, 17 (@SewardCountyCommunityCollege-KS/OteroCollege-CO) ...STARTER...Shoots her perimeter shot off the side of her face. Strength and weight will make it difficult to project higher. March 15 (ClarendonCollege-TX/Region5Tournament) ...STARTER...Plays the point on the press because of her length but in the half-court struggles covering on the perimeter due to lack of lateral quickness. Questionable hands. March 27-April 1/DINationalTournament (NorthDakotaSCS) ... STARTER...Averaging 12 ppg and 6 rebounds coming into the tournament. Doesn't have the lateral quickness to cover on the perimeter. Strength and weight factor showed up in these two games.</p>

<p>2023-2024...November 16/17 (TrinityValleyCommunityCollege-TX/HillCollege-TX) ...STARTER...Runs a little heavy-legged and stiff. Skill level is not very good. Speed and quickness is above average. December 16, 17 (@SewardCountyCommunityCollege-KS/OteroCollege-CO) ...Frame is okay. Quickness is above average to maybe good. Floor speed is good. March 15 (ClarendonCollege-TX/Region5Tournament) ... STARTER...Needs to get stronger in upper body. March 27-April 1/DINationalTournament (NorthDakotaSCS) ... STARTER...Fundamentally not very sound and question her basketball IQ. Very limited playing time in the tournament.</p>

<p>2023-2024...November 16/17 (TrinityValleyCommunityCollege-TX/HillCollege-TX) ...STARTER...Form on her three is solid. Length is good. Very good quickness. Floor speed is very good. Needs to develop her left hand on the drive. Free throw form is very good. Speed and quickness is good. December 16, 17 (@SewardCountyCommunityCollege-KS/OteroCollege-CO) ...Needs more upper body strength. Length is good. March 15 (ClarendonCollege-TX/Region5Tournament) ...STARTER... March 27-April 1/DINationalTournament ((NorthDakotaSCS) ... STARTER...Decent frame but does need a little more upper body strength. Even though form looks good on her three, only put up 22 for the year and converted 22.7%.</p>
