2023-2024...November 24/25 (AngelinaCollege-TX/TrinityValleyCommunityCollege-TX) ...Did not project as a freshman. Excellent quickness. Starts her perimeter shot a little too far to the left side of her face, but otherwise form is good. January 13 (@CrowderCollege-MO) ...Even starting the ball off the right side of her face is hitting almost 42% from three. Very good to excellent quickness. Needs to gets stronger in upper body. March 26-April 1/DINationalTournament (MississippiGulfCoastCommunityCollege) ...STARTER ...Was not consistent shooting from the perimeter and her percentage dropped by 13 points.

2022-2023...November 11-19 (StateFairCommunityCollege-MO/MineralAreaCollege-MO) ... STARTER ... Very good length. Free throw form is good. Jumps well. Needs to get stronger and add some weight particularly upper body. Has very good athleticism. Will move out and bring the ball up some at the point, but did not see her as a great ball-handler. Does need to develop her left hand some. Will put on the floor and drive it hard to the basket. Length is good. Good hands. Jumps well and can rebound out of her space. NationalTournament...March 23 (GulfCoastStateCollege-FL) ...Will return for 23-24 season.

2023-2024...November 24/25 (AngelinaCollege-TX/TrinityValleyCommunityCollege-TX) ...STARTER...Projected at level 6 as a freshman. Looks to be a littlestronger than as a freshman. Athleticism is good. Can handle the break on the dribble and finish or dish off. Free throw form is good. Very good athleticism. January 13 (@CrowderCollege-MO) ...STARTER...Nice little short runner off the baseline. Athleticism is very good. Has put up 58 shots from three coming into this game but only converting 24%. Length is very good. March 26-April 1/
DINationalTournament (MississippiGulfCoastCommunityCollege) ...Averaging 12.7 ppg coming into the tournament. STARTER ...Great length. Will shoot the three from deep, and form is decent. Explosive to the rim from the perimeter.
