2023-2024...November 6 (@WeatherfordCollege-TX) ...STARTER...Okay frame but needs more upper body strength. Runs the floor very well. Post defense needs to get better. Finds herself out of position and makes silly fouls. Has nice soft turn-around jumper. STARTER...Has too much left hand in her free throw. Needs to increase her intensity. STARTER...Average jumping ability. Will need to become more of a scoring threat to project higher. Lateral quickness is not there to cover the mid-range or perimeter shooter. Footwork after receiving ball at high or low post needs work.
