2024-2025...November 1-2 (CollinCollege-TX/GraysonCollege-TX) ...STARTER. Projected at level 7 as a freshman and stats in reflect her time at Eastern Oklahoma State. Length is good. Free throw form is good. Has good strength. Free throw has good form. Runs the floor well. Execution of her post moves have improved but will need to become more consistent converting. Did not shoot it well at all in game one, going 1-9 from the field.

2023-2024...February (@MurrayStateCollege-OK) ...STARTER...Very nice stroke from three. Needs to get stronger and add weight but is a hard-nosed kid. Plays hard on both ends of the floor. Average athleticism. Runs the floor hard and with good up and down speed. Plays with some aggressiveness. Seems to have a good feel for the game. Needs to raise her percentage shooting the three. Not afraid to take it to the rim but needs to finish better. Had 25 points in this game while going 1-6 from three. Most of her scoring came from off the drive. February 12 (@NorthernOklahomaCollege-Enid) ...STARTER...Free throw has too much left hand in it and being a driver, will find herself at the line quite a bit. Needs to raise her free throw percentage. Will get you hustle rebounds.

2024-2025...November 1-2 (CollinCollege-TX/GraysonCollege-TX) ... Stats in blue reflect her time at Eastern Oklahoma State. Projected at level 7/6?. Quick release on her three. Tough nosed kid who is willing to take a charge and get on the floor and wrestle you for the ball. Not overly talented but plays hard all the time. Game is not pretty, but hard play all over the floor results in positive things happening. Put up 21 shots in the two games but only converted on 28% while going 0-7 from three.
