lackir avera consi very	For Latest Stats Click HERE Strength Agility Passing Jumping BB IQ Shot Selection 2024-2025December 4 (ButlerCollege-KS)STARTER. Point guard with good strength. Speed and quickness is good. Lateral quickness is lacking to cover the quick guard on the perimeter. January 22 (HutchinsonCommunityCollege-KS)STARTER. Through 18 games is averaging 11 ppg. STARTER. Excellent quickness and can get to the rim quickly on the dribble. Jumper from three has good form but did not hit consistently from there. Jumper off the dribble has good form and gets it off quickly and with good elevation, and can go right or left. Shot ball very well going 7-14 in the first half, but defense focused on her second half and some of her effectiveness was stymied.														hit

2024-2025...December 4 (ButlerCollege-KS) ... **January 22 (HutchinsonCommunityCollege-KS)** ...**STARTER**. Length is good. Runs the floor a little stiff. Doesn't have great athleticism. Needs more upper body strength. Footwork after receiving the ball needs work. Turned it over 5 times in the first half. Transition speed is lacking. Not sure she has very good basketball IQ. Really didn't show she knew what to do after receiving the ball. Not offensive minded.
