2024-2025...January 20 (ClarendonCollege-TX ...Stats in blue reflect her time at Arizona Western. In off the bench and offensively was effective in this game. Great length. Needs more upper body strength and a little additional weight would help. Free throw form needs work. Runs the floor well. Pulling down 6.6 rebounds through 14 games. Very good length. Needs to get stronger and add some weight. Plays too soft. Runs the floor well. Put on the floor and drove it to the basket and finished with her off hand showing some athleticism with the move. Was effective off the low post jumping up and hitting the short jumper off the board. January 27 (SouthPlainsCollege-TX) ...STARTER...Struggles covering on the post. Doesn't have the lateral quickness and doesn't keep good position.

2023-2024... December 15 (OteroJuniorCollege-CO) ... Very good length. Needs more upper body strength and additional weight January 25 (NewMexicoJuniorCollege) ... Very little playing time.

2024-2025...January 20 (ClarendonCollege-TX ... January 27 (SouthPlainsCollege-TX) ...Lefty with good length. Maybe has gotten a little stronger but more upper body strength would be good. Very little game experience and question whether or not she has the skills to play at the next level.

2023-2024...November 3 (NorthernOklahomaCollegeEnid) ...STARTER...Big bodied post player who needs to tone and drop a few pounds around the middle and hips. Free throw form is good. With back to basket has nice drop-step move to the basket and used her left hand well. December 1 (@RedlandsCommunityCollege-OK) ...Through 5 games, averaging 13.8 ppg, along with 10.6 rebounds. Strong around the basket with the ability to finish with either hand. Very good strength. Runs the floor okay but needs to push herself harder. Jumping ability is good and reacts well to the ball off the boards. Posts up big down in the paint and gives a good target. Has the strength to force her way to the basket and finish with defenders bodying her up. December 15 (OteroJuniorCollege-CO) ...STARTER...Jumps very well. Very good upside and game should only get better. January 2 (CollinCollege-TX) ...STARTER...Did not play well in this game but has the talent and body to play at the next level. January 25 (NewMexicoJuniorCollege) ...STARTER...Struggled in this game, turning it over several times. Will need to begin to show some consistency in her play to continue to get looks from level 4.

2024-2025...January 20 (ClarendonCollege-TX ...STARTER. Averaging 17.2 ppg and 13.2 rebounds through 17 games. Gets a lot of rebounds but is the only rebounder on the team. Needs to become more aggressive going to the boards and get better at rebounding out of her space. Needs to post up bigger and stronger. Still needs to trim a few pounds around middle and hips which would help her mobility and keep her projection at 4 but 5 is probably where she is currently. Low block jumper with left hand needs better touch. January 27 (SouthPlainsCollege-TX) ...STARTER...Can get to the rim from the high post but needs to develop a better touch on the lay-up. COMMITTED TO LAMAR UNIVERSITY.

2024-2025...January 20 (ClarendonCollege-TX ...STARTER. Stats in blue reflect her freshman year at Howard College-TX. Needs to trim 10 pounds from middle and hips. Is averaging 5.8 rebounds through 15 games. Nice little turn-around jumper from 12'. Transition floor speed is above average and needs to run harder. Average athleticism. Average quickness. Passing skills need work. Lateral quickness is average. Will shoot the perimeter shot but form needs work and only converted once in the eight attempts in this game. January 27 (SouthPlainsCollege-TX) ...STARTER...Has no aggressiveness around the boards and did not see the ability to rebound out of her space. Ball-handling skills are weak. Up-tempo game is not her forte. Puts up the shots but is not an effective scorer, and coming into this game had put up 140 shots and only connecting on 29%. Went 1-9 in this game.
