2024-2025…November 1 (NorthIdahoCollege/HowardCollege-TX) …STARTER in game 2. Needs to tone and tighten up. Turns her upper body too much on her shot from the perimeter and from the line but has been consistent in hitting her shot. Did not shoot the ball well going 1-9. *January 18 (CiscoCollege-TX)* …STARTER. Averaging 11 ppg. Shot the ball well in this game cutting to the basket and stepping out and hitting the three. Has a nice quick release. Has hit 44% of the 65 attempts through 12 games. By dipping her shoulder on her shot she doesn't have a good backspin, but hasn't hurt her shooting percentage to this point. Looks stronger than when first observed. Had a very good shooting day going 9-11 from the field, and from three was 5-7. Did not see her put on the floor and create by taking it to the basket.

2024-2025…November 1 (NorthIdahoCollege/HowardCollege-TX) …**STARTER**. Very good form on her three pointer but did not connect consistently. Super quick going to the basket and when defense collapses will get the ball to the open player on the perimeter. Length is very good. Has wiry strength. Basketball IQ is very good. Played with good poise but will need to cut down on the turnovers. Plays harassing perimeter defense very well. *January 18 (CiscoCollege-TX)* …**STARTER**. Averaging 7.7 ppg. Did not see much out of her in this game offensively.

2024-2025…November 1 (NorthIdahoCollege/HowardCollege-TX) …**STARTER**. Free throw form is good, will get to the line a lot in that her quickness makes her difficult to guard*.* Excellent speed and quickness. Plays very good aggressive defense. Strength is good. Athleticism is very good. Excellent court demeanor. In the 2 games, 15 of the 22 field goal attempts were from three. *January 18 (CiscoCollege-TX)* …**STARTER**. Averaging 8.8 ppg. Has the quickness and ball-handling ability to create and get to the rim. Has put up 58 three's but only connecting on 27% through 16 games. Gets the ball to open players to score. Had 7 assists in this game. Needs to raise her percentage from beyond the arc.

STARTER.

2024-2025…November 1 (NorthIdahoCollege/HowardCollege-TX) …**STARTER**. Doesn't look the all that pretty but scores in a variety of ways. Plays a little too soft. Has above average to good athleticism. Needs to go back up with the rebound with more aggressiveness. Shot the ball very well in the first 2 games hitting almost 55% and averaging 18 per game while pulling down 12.5 rebounds. Seems to be playing with some sophomore confidence, and if this level of play continues will be a solid 5/6 prospect. *January 18 (CiscoCollege-TX)* …**STARTER**. Averaging 16 ppg. Jumping ability is average, but has decent moves to score on the inside after getting the ball on the low post. Doesn't have great lateral quickness, but did a good job of maintaining position and defending on the perimeter. Average athleticism. Needs to tone and lose a few pounds around the middle and hips.
