2023-2024...December 8 (HighlandCommunityCollege-KS) ... STARTER...Needs more upper body strength but frame is there to get there. Shot the three but barely drew iron. Quickness is above average to good. Weak ball handling skills. January 11 (@RedlandsCommunityCollege-OK) ... STARTER ...Struggled some guarding the quick perimeter player. Not sure she has point guard quickness.

2024-2025...December 12 (MineralAreaCollege-MO) ...STARTER. Still struggles handling the ball. Form on her three is good but continues to shoot around 26% as she did last year. Needs to smooth her free throw motion out. Needs to learn to play harder. January 17 (RedlandsCommunityCollege-OK) ...DNP, due to wisdom teeth extraction.

2022-2023...January 9 (@ MurrayStateCollege-OK) ...STARTER...Lefty with nice stroke from three. January 26 (@ SeminoleStateCollege-OK) ...Comes off the bench primarily and is a contributor.

023-2024...December 8 (HighlandCommunityCollege-KS) ...Did not project as a freshman while at Eastern Oklahoma State, and stats and short eval is from her time there. January 11 (@RedlandsCommunityCollege-OK) ...HAS NOT PLAYED SINCE NOVEMBER 25.

2024-2025...December 12 (MineralAreaCollege-MO) ...STARTER. Evaluation in blue for 2022-2023 and 2023-2024 are above. She was granted a redshirt year last season. Lefty with nice stroke from three. Handles it well but tends to force the drive. Decent job of creating her own shot off the drive. Quickness is above average to good. Has not proven to be an effective offensive player. January 17

(RedlandsCommunityCollege-OK) ... STARTER. Upgrading her quickness to good. Needs to get stronger. Ability to play at level 5 is a question mark in that she needs to shoot the ball better.

**2024-2025...December 12 (MineralAreaCollege-MO)** ...Stats in blue reflect her freshman year at Chipola. Big-bodied post player who needs to trim 15-20 pounds from middle and hips. Okay form on her free throw. Weight hampers her mobility. Does a good job of screening out. Touch on her shot inside needs work. **January 17 (RedlandsCommunityCollege-OK)** ...Needs to be more active in on the post to get herself open. Can be effective if defender is not her size, but struggles against defenders her size who are active.
