2024-2025...November 8-9 (SouthPlains-TX/TempleJuniorCollege-TX) ... STARTER. Very good free throw form. January 2-3 (McLennanCommunityCollege-TX/OdessaCollege-TX) ... STARTER. Small point guard with okay frame. Quickness is good but wouldn't call it great, but does good job of penetrating and kicking to the open player. Hit a three and even though backspin is a little off has been hitting over 41% on 39 attempts coming into the game. Makes things happen and does a good job of seeing the open player. Plays hard and plays smart. Size is her detriment. LAST First Year Pos Hometown: (City, State) **THORNTON** 24 Taler 5-7 FR 2 Bryan, TX 24 Returner? Decent frame. Runs the floor well. Needs more upper body strength. Length is good. Free throw form is good. Keeps moving inside and makes herself a good target. Has good hands. Length is good. Frame not bad but a little more upper body strength would be good. Offensive game needs work. Not a lot of athleticism. Size creates issue for defenders. January

2-3 (McLennanCommunityCollege-TX/OdessaCollege-TX) ... STARTER. Jumps quickly. Strength is 8' and closer and can be effective if

defender doesn't match her size. Free throw form not bad, does have a little too much left hand but backspin is good.
