2023-2024...November 8 (@NorthernOklahomaCollege-Tonkawa) ...Came in as a reserve at the point. Small combo guard who has good quickness. Doesn't look to score from the perimeter. February 3 (BartonCommunityCollege-KS) ...STARTER...Going left on the dribble needs to get better. Quickness is good but not great. As a point guard, passing skills need to improve. Needs to get stronger. Not sure she has the mindset to play the point effectively. Does not shoot the three well, but if she gets to the line, is converting her free throws. February 24 (@PrattCommunityCollege-KS) ...STARTER...Don't see point guard mentality. Ball-handling skills need work. Needs to get better going left on the dribble. Perimeter defense needs to get better.

2024-2025...November 23 (SewardCountyCommunityCollege-KS) ...STARTER. Did not see a whole lot of production from her in this game.

November 26 (DodgeCityCommunityCollege-KS) ...Needs to get stronger. Came off the bench in this game and went 0-6 shooting the ball.

February 19 (HutchinsonCommunityCollege-KS) ...STARTER. Needs to add some weight.

2024-2025...November 23 (SewardCountyCommunityCollege-KS) ...In off the bench and has a small frame. Needs weight and strength. Ball-handling skills need work. Fundamentally weak and plays soft. November 26 (DodgeCityCommunityCollege-KS) ...Played 13 minutes and went 1-9 from the field. February 19 (HutchinsonCommunityCollege-KS) ...

2023-2024...November 8 (@NorthernOklahomaCollege-Tonkawa) ...STARTER...Questionable quickness for a point guard. Form from three is good. Ball-handling skills need work. Needs to develop her left hand on the dribble. Transition speed is above average to maybe good. Frame is good. Jumps well. Quickness is above average to good. December 2 (GardenCityCommunityCollege-KS) ...STARTER...Playing mostly 2 guard in this game. Didn't handle the defensive pressure. February 3 (BartonCommunityCollege-KS) ...STARTER...Shot from three looks good but only hitting 15% on 61 attempts. Passing and dribbling skills need to improve. Had 6 turnovers in this contest. February 24 (@PrattCommunityCollege-KS) ...STARTER...Game is inconsistent. Ball-handling skills need work. Continues to struggle against defensive pressure.

2024-2025...November 23 (SewardCountyCommunityCollege-KS) ...STARTER. Projected at level 8/7? as a freshman. Does not have the quickness to cover the quick guard on the perimeter. Ball-handling still needs work. Does not have the ability to create her own shot with lack of quickness and poor handles. Plays hard, will go hard to the boards, but will need to shoot the ball better than she did in this game, going 0-6 from the field. Will get to the line and will convert from there. November 26 (DodgeCityCommunityCollege-KS) ...STARTER. Went 1-10 from the field in this game. February 19 (HutchinsonCommunityCollege-KS) ...STARTER. Plays hard and even at her size will post up some and against someone her size can be effective. Strength is good. Will battle in on the boards and just works harder than most to get rebounds and had 9 in this game. Competitor.

2023-2024...December 5 (WeatherfordCollege-TX) ...STARTER...Averaging 15 points a contest coming into this game. Handles the ball pretty well and has the ability to create her own shot on the perimeter off the dribble. Needs to start her shot from higher in the pocket and not drop it so low and in front of her body. She does bring it back in and up through her face but the extra motion makes it slow getting off. Defensive intensity needs to increase. Quickness is good but doesn't have explosive quickness taking it to the basket. Needs to get stronger. Wound up with 18 points in this game. January 15 (@ClarendonCollege-TX) ...Starter...Coming into this game is averaging 15.2 ppg but was closely guarded and pressured and was unable to get many open shots. Has good upside but will need to learn how to handle the defensive pressure.

2024-2025...November 23 (SewardCountyCommunityCollege-KS) ...STARTER. COMMITTED TO EMPORIA STATE-KS. Projected at level 6 as a freshman. Free throw form is good. Plays hard. Got into foul trouble early and limited her playing time in this game. November 26 (DodgeCityCommunityCollege-KS) ...STARTER. Quickness is very good. Has not proven to be a great threat shooting the three and was 0-6 in this game. Distributes the ball well. February 19 (HutchinsonCommunityCollege-KS) ...STARTER. Didn't shoot the ball well going 5-14 from the field, but went 8-8 from the line with a strong second half.
