2024-2025... December 11 (HutchinsonCommunityCollege-KS) ... STARTER. Nice frame and very good length. Runs the floor well but with short choppy steps and a little stiff legged. Plays good perimeter defense. Plays hard and will go to the boards hard. Doesn't jump well on her short shot down off the low block and offensive shooting skills need adjusted. Only hit 2-10 from the field in this game. Questionable basketball IQ. STARTER. February 8 (CoffeyvilleCommunityCollege-KS) ... STARTER. When she receives on the post she doesn't face and look to be a threat to score. Needs to become more offensive minded. Question her basketball IQ.

**2024-2025... December 11 (HutchinsonCommunityCollege-KS)** ...**STARTER**. Nice stroke from three. Lacks the quickness to put on the floor and create her own shot. Decent strength and frame. Has a lot of left hand in her perimeter shot but back-spin is true. Did not shoot the ball well in this game going 0-8. Plays very good perimeter defense. **February 8 (CoffeyvilleCommunityCollege-KS)** ... **STARTER**. Through 22 games is averaging 11.7 ppg. Stroke from three has a lot of left hand but rotation is good. Speed and quickness is above average to good. Handles it pretty well. Coming into this game has attempted 246 field goals and 206 have been from three and hitting 33%.

**2024-2025... December 11 (HutchinsonCommunityCollege-KS)** ... Needs more upper body weight. Length is very good. Face-up jumper from 15' has good form. Runs the floor very well. Reacts to the ball out of her space rebounding. Has good shot-blocking ability. Finishes well on the break out of a dead run, planting and getting under control and not broad-jumping through the shot. **February 8** 

(CoffeyvilleCommunityCollege-KS) ... Shoots her face-up jumper off the side of her face. Footwork is weak, as she tends to walk before putting the ball on the floor. When ball goes up, she is going to the boards, but tends to go a little out of control at times. Length is very good. Size will get her some level 6 looks. Long and lanky. Needs another year of development.
