2024-2025...November 15-16 (ParisJuniorCollege-TX/BlinnCollege-TX) ... STARTER. Floor speed is above average. Doesn't have the quickness to drive it by her defender but has some sneaky moves. Sees the floor well. Quickness is above average. Game is very deceiving. Basketball IQ is good. Seems to be always anticipating the next pass or play. With lack of quickness, uses good stop and go moves and body fakes to free herself up to get by her defender. January 13 (NorthernOklahomaCollege-Tonkawa) ... STARTER. 13.7 ppg through 13 games. Needs to cut down on turnovers as a point guard. Averaging 3 a game, but is dishing out 4.5 assists through 13 games. Rotation on her shot needs to get better. Questionable shot selection in this game, particularly after getting a little winded. February 6 (MurrayStateCollege-OK) ... STARTER. Averaging 13.9 ppg through the first 19 games. Sees the floor and is handing out 4.7 assists each game. Needs to tone and tighten up and drop 5 pounds from middle and hips. Parts of her game needs to get sharper and will need to eliminate silly mistakes.

2024-2025...November 15-16 (Paris Junior College-TX/Blinn College-TX) ... STARTER ... Undersized post player with very good jumping ability. Needs to get stronger and add some weight. Perimeter defense needs to get better. Can run the floor well but tends to lope at times and needs to sprint. Jumper from 15' needs work. Length is good. Will post up strong but needs to be more consistent doing it. Nice up and under move. January 13 (NorthernOklahomaCollege-Tonkawa) ... STARTER. Averaging 7.4 rebounds through 13 games. Free throw needs to smooth out. To play on the post will need to get a lot stronger. Didn't see effective post moves. February 6 (MurrayStateCollege-OK) ... STARTER. Pulling down 6.8 rebounds per game coming into this contest. Needs to play harder. Transition from offense to defense was done in a trot. Length is very good. Offensive effectiveness is inside of 15'. Not a threat from the perimeter at all.

2024-2025...November 15-16 (Paris Junior College-TX/Blinn College-TX) ... STARTER Shot from three has very good form. Nice little running jumper. Plays hard. Seems to have a good feel for the game. Uses good stop and go moves and body fakes to get by her defender. Frame is good. Floor speed is good not great. January 13 (NorthernOklahomaCollege-Tonkawa) ... STARTER. Averaging 9.5 ppg through 13 games but wound up with 25 in this game. Knocked down her first five attempts from beyond the arc and went on to hit 7-11 for the game. Quickness is somewhat deceptive. Decent frame. Handles are decent and seems to have some point quard mentality. February 6 (Murray State College-OK) ...STARTER. Through first 20 games is averaging 11 ppg and has connected on 41.5% of the 188 three's she has attempted. Will need to become a better ball-handler and learn to create her own shot. Not afraid to mix it up, but is under control.

2023-2024...January 8 (MurrayStateCollege-OK) ...Nice form on her three and will shoot them from deep. Needs to trim 10-15 pounds through the middle and hips and to be able to play at the next level this will need to be addressed. Transition speed is average to above average. Quickness is above average. January 23 (@RedlandsCommunityCollege-OK) ... STARTER... Shooting needs to improve.

2024-2025...November 15-16 (Paris Junior College-TX/Blinn College-TX) ... STARTER Did not project as a freshman. Big-bodied wing who needs to drop 15 pounds around middle and hips. Nice stroke from three and if you do't guard her she can hit them. Has good defensive hands. January 13 (NorthernOklahomaCollege-Tonkawa) ... STARTER. Shoots her shot from off the side of her face. Jumping ability is limited. Floor speed is above average February 6 (MurrayStateCollege-OK) ... STARTER. Nothing real flashy about her game but seems to be at the right place at the right time. Needs more aggressiveness to her game.
