2023-2024...November 10 (CollinCollege-TX)...Needs to get stronger and add some weight. Nice stroke on her three. November 25 (CollinCollege-TX) ...STARTER...Quickness is good. December 16, 17 (OteroJuniorCollege/SewardCountyCommunityCollege) ... STARTER...Left knee has a brace. Give her time to set up and she can hit the three. Can drive it but primarily would prefer to shoot the three, where she is presently hitting 34% on 61 attempts. March 13 (PanolaCollege-TX/Region14Tournament) ...Play seems to be sporadic, having missed several games. Then she has been somewhat up and down in her production, not sure what has been the issue. 04-18-24...WILL RETURN FOR RSO SEASON.

2024-2025...November 8-9 (TempleJuniorCollege-TX/CollinCollege-TX) ...STARTER. Projected at level 7 as a freshman. Still needs to get stronger and add the weight. In Temple game went 0-8 from the field and only scored 3 points in the Collin game. January 2-3 (HillCollege-TX/McLennanCommunityCollege-TX) ...STARTER. Free throw form is good. Has shot 76 three's of the 109 shots put up. Floor speed is very good. Plays hard. March 25-April 1 DI-NationalTournament (WaltersStateCommunityCollege-TN/ChipolaCollege-FL) ...STARTER. Averaging 11.2 coming into the tournament and has hit 33% from three on 181 attempts. Form on her free throw looks different than observed earlier and needs to smooth out the motion. Had strong game verses Chipola with 25 points.

2023-2024...November 10 (CollinCollege-TX) ... STARTER...Free throw form is good. Needs weight and strength. Length is very good. Very athletic. November 25 (CollinCollege-TX) ... STARTER...Jumps very well. Runs the floor very well and with good speed. Stroke from three has good form. Athleticism is good. December 16, 17 (OteroJuniorCollege/SewardCountyCommunityCollege) ... STARTER... Very good lateral quickness. Form on her pull-up jumper off the dribble has good form. Very good athleticism. Has very good quickness taking it to the basket and does a good job of laying it off the board. Did not see her do any posting up, and with mismatch defensively, something she needs to do some of even though she does not have the strength and weight to be a banger. Athleticism and quickness could make her effective to do this some. March 13 (PanolaCollege-TX/Region14Tournament) ... Even though she has shot the three with good form, her conversion rate is below 20%. Even though she needs more strength, her board work needs to improve with jumping ability and athleticism.

2024-2025...November 8-9 (TempleJuniorCollege-TX/CollinCollege-TX) ...STARTER. As a freshman, projected at level 6/5?. Runs the floor with ease. Still needs to get stronger and add some weight. Very athletic with very good jumping ability. Had some turnover issues in the Temple game. Point production was limited, and the level 5? may be a little generous. January 2-3 (HillCollege-TX/McLennanCommunityCollege-TX) ...STARTER. Had 17 against average competition and then only played 7+ minutes March 25-April 1 DI-NationalTournament (WaltersStateCommunityCollege-TN) ...STARTER. COMMITTED TO CHARLOTTE.

2024-2025...November 8-9 (TempleJuniorCollege-TX/CollinCollege-TX) ...No action in the Collin game. Nice frame. Very good quickness. Floor speed is very good. Struggled covering the quick wing on the perimeter. **January 2-3 (HillCollege-TX/McLennanCommunityCollege-TX)** ...Free form is very good. Form from three is good. **March 25-April 1 DI-NationalTournament (WaltersStateCommunityCollege-TN/ChipolaCollege-FL)** ...Very good jumping ability. Needs to gain some weight and get stronger. Form is good on her shot from three but has only put up 36 coming into the tournament and conversion rate is 26%.

2023-2024...November 10 (CollinCollege-TX) ...STARTER...Big bodied forward who could tone and trim down in middle and hips. For her size is pretty mobile. Needs to drop her left foot back some on her free throw. Strength is very good. November 25 (CollinCollege-TX) ... STARTER... Through the first five games is averaging 15 ppg and pulling down 5.8 rebounds. Shoots the free throw with nice soft touch. Length is good and timing on blocking shots is good. Will surprise you with her ability to make moves on the post. 16, 17 (OteroJuniorCollege/SewardCountyCommunityCollege) ... Has a lot of upside, and best game could be ahead of her. STARTER... Needs to drop her left foot back on her free throw, but otherwise form is good. For size can run the floor okay, but gets hurt defensively because of lack of lateral quickness. March 13 (PanolaCollege-TX/Region14Tournament) ...STARTER...Through 30 games is averaging 12.6 ppg. Made a couple of nice moves off the post position. Comes down strong with the rebound. Has put up 88 shots from three but only connecting on 28% of them.

2024-2025...November 8-9 (TempleJuniorCollege-TX/CollinCollege-TX) ...STARTER As a freshman, projected at level 6/5?. Undersized post player who still needs to tone and drop a few pounds, but runs the floor pretty well. Has the strength to go up through people on her shot around the basket or bull her way to the basket when she catches the ball outside the lane. Posts up big and strong and once she receives the ball has a quick move to get to the rim. Scored 30 verses Temple and came back against Collin with 27. When doubled-teamed sees the floor and kicks to the open player. Even carrying a little extra weight can run the floor with ease. Simply a beast down low off the block. January 2-3 (HillCollege-TX/McLennanCommunityCollege-TX) ...STARTER. Gives a big target by spreading out and not allowing defender to get position. Lack of jumping ability hurts her with low post shooting against defenders her size. March 25-April 1 DI-NationalTournament (WaltersStateCommunityCollege-TN) ...STARTER. VERBALLED TO OLD DOMINION. Has averaged 15.3 ppg throughout the season.

2024-2025...November 8-9 (TempleJuniorCollege-TX/CollinCollege-TX) ... January 2-3 (HillCollege-TX/McLennanCommunityCollege-TX) ... Seeing very limited playing time. March 25-April 1 DI-NationalTournament (WaltersStateCommunityCollege-TN/ChipolaCollege-FL) ... STARTER. Flips her free throw. Needs to convert better down off the low block Needs to trip 10-15 pounds around the middle and hips. Hard for her to play effective post defense on stronger player due to her weak frame. Very limited playing time in the Chipola game.
