Strength Agility Passing Jumping BB IQ 2023-2024...December 2 (PrattCommunityCollege-KS) ...STARTER...Okay frame but needs more upper body strength. Free throw form is good. Length is good. Quick around the basket and has to ability to react to the ball off the boards and go right back up for the put back. January 3 (@ButlerCollege-KS) ... STARTER... Averaging 14.3 ppg and 7.2 rebounds coming into this contest. Needs more upper body strength. Nice form on her three. Did nice job of moving without the ball and cutting to the basket to get open. Very good defensive skills. Very athletic. Did not shoot the ball well in this game but season percentages have been good. Has a lot of upside. January 17 (BartonCommunityCollege-KS) ... STARTER... Averaging 13.3 ppg and 7.3 rebounds through 16 games. Needs to become a better shooter from beyond the arc. Floor speed is very good. Very good quickness and runs the floor with very good speed. Athleticism is good. Very active on the boards and had 8 rebounds in this game. Has the tools to possibly project higher with another year of experience. February 10 (CloudCountyCommunityCollege-KS) ... STARTER... Was solid in her play, getting rebounds and scoring 12 points in this game. With improved three point shooting, could become a very good prospect as a sophomore. March26-April1/DINationalTournament (CochiseCollege-AZ) ... STARTER...Cuts hard to the basket and can finish under control. Has gotten better as the year has progressed and is a solid prospect at this point. Shooting the ball with a lot of confidence and averaging over 12 ppg on 48% shooting from the field and 33% from three. Rebounds well for her size and has the athleticism to do it out of her space. Had a very good tournament and averaged 5 points a game over her season average. Quickness is very good and floor speed is excellent, NAMED TO THE ALL-TOURNAMENT TEAM, WILL RETURN

2024-2025...December 11 (GardenCityCommunityCollege-KS) ...STARTER. Very good length. Nice smooth easy motion on her free throw. Went 12-12 from the line in this game and hit 3 in last 1.5 seconds to win the game. Had 25 points and 8 rebounds. Looks to be stronger. January 22 (BartonCommunityCollege-KS) ...STARTER. Through 18 games is averaging 18 ppg and has hit 35.6% of the 59 attempts from three. Her size against the bigger defenders was a challenge for her as she was forced to adjust her inside shooting. Defense was focused on stopping her and she had some turnover issues. February 19 (CowleyCollege-KS) ...STARTER. Missed too many easy shots in close in this game. Jumping ability and athleticism will get her rebounds, but not a banger inside. March 25-April 1 DI-NationalTournament (SouthGeorgiaTech/ThreeRiversCommunityCollege-MO) ...STARTER. Solid play in both games with scoring and rebounding.

2024-2025...December 11 (GardenCityCommunityCollege-KS) ...STARTER. Small combo guard who needs to get stronger and add some weight. Rotation on her perimeter shot is off. Needs more zip on her passes. Quickness is good but doesn't have great point guard quickness to drive it by the quick defender. Ball-handling skills need work. January 22 (BartonCommunityCollege-KS) ...STARTER. Averaging 7.5 ppg through 18 games. Is distributing 3 assists per game. Saw some very good quickness that wasn't observed previously, and changing previous eval to say that she does have point guard quickness. Noted rotation on shot is good on one shot and not on the next, but for the game hit 7 of the fourteen she put up. Anticipates well defensively and gets to the passing lane for steal, and had 4 in this game. Very good lateral quickness. Has good handles and nice stop and go move to lose her defender. Added bulk would be very beneficial. February 19 (CowleyCollege-KS) ... STARTER. Can push the break well and is effective at full speed with either hand. Sees the floor well and is averaging almost 4 assists a game. Plays very good perimeter defense and good job of fighting over the pick. March 25-April 1 DI-NationalTournament (SouthGeorgiaTech/ThreeRiversCommunityCollege-MO) ... STARTER. Needs to clean up her game some eliminating the turnovers.

2024-2025...December 11 (GardenCityCommunityCollege-KS) ...STARTER. Excellent job of reacting to the ball off the boards. Seems to be playing with more confidence as a sophomore. January 22 (BartonCommunityCollege-KS) ...STARTER. Short jumper off the baseline has good form. Stayed in foul trouble throughout this game and wasn't as effective as I have seen her in the past. Plays hard but lack of quickness to be able to create her own shot hurts her game. February 19 (CowleyCollege-KS) ...STARTER. Has some aggressiveness to her game but fouls too much. Lacks athleticism and only has average jumping ability. Not a threat from beyond the arc. Strong question mark to be effective at level 6. March 25-April 1 DI-NationalTournament (SouthGeorgiaTech/ThreeRiversCommunityCollege-MO) ...STARTER. Average jumping ability. Not a threat from three at all. Above average quickness and speed.

2024-2025...December 11 (GardenCityCommunityCollege-KS) ... STARTER. January 22 (BartonCommunityCollege-KS) ... STARTER. Form from three is good but is not a real threat to score from there. Quickness and speed is good. To be effective at the next level she will need to shoot the ball better. Only hitting 33% from the field and not one to drive it a lot and consequently doesn't get to the line much. February 19 (CowleyCollege-KS) ... STARTER. Needs to get stronger and add some weight. Had very little contribution in this game. Not a great offensive player. March 25-April 1 DI-NationalTournament (SouthGeorgiaTech/ThreeRiversCommunityCollege-MO) ... STARTER. Lateral quickness is good and covers well on the perimeter.

2024-2025...December 11 (GardenCityCommunityCollege-KS) ...Stats in blue are from her time at Morton College. Has decent frame. Undersized, but will post up some and handles the over-the-top pass with ease. Last years stats at Morton indicated shooting strength to be midrange, and to this point at this level is converting close to the same. January 22 (BartonCommunityCollege-KS) ...Was not effective off the bench and did not shoot the ball well. February 19 (CowleyCollege-KS) ...Needs to tone and tighten up. Doesn't have great athleticism. Did go to the boards more effectively in this game. Not a real threat from three. Needs to shoot the free throw better. March 25-April 1 DI-NationalTournament (SouthGeorgiaTech/ThreeRiversCommunityCollege-MO) ...Questionable hands. Floor speed is above average and quickness is as well.
