2024-2025November 5 (BlinnCollege-TX) Jumper from 15' off the pick has good form. Shot has nice soft touch. Stroke from three has good form. Speed and quickness is good to very good. Frame is good. May have a problem with her shoulder. Has some wiry strength, but more upper body strength would be beneficial. <i>January 2-3 (TylerJuniorCollege-TX/KilgoreCollege-TX</i> STARTER. Had a solid game against Tyler but only played 11 minutes against Kilgore. Shot is solid but would not call her a great shooter. <i>March 13 (ClarendonCollege-TX)</i> Quickness is good. <i>March 25-April 1 DI-NationalTournament (EasternArizonaCollege)</i> Coming off the bench most of the time has attempted 166 from beyond the arc and has only connected on 28% prior to the tournament. Presently backing off the question mark at level 6. Another year of experience will be helpful.

StrengthAgilityPassingJumpingBB 10Shot Selection2024-2025November 5 (BlinnCollege-TX)STARTER. Big and strong. Plays hard with some aggressiveness. Okay free throw form. Reacts well to the ball off the boards. Is not overly athletic, but seems to have a pretty good feel for the game. Plays hard. Quickness is not great but maybe a little deceiving. January 2-3 (TylerJuniorCollege-TX/KilgoreCollege-TXHas a lot of left hand in her shot but backspin is good. Floor speed is above average. STARTED THE 2ND GAME. Has some play-making ability but at times will force it and make bad decisions. Plays hard. Above average athleticism. March 13 (ClarendonCollege-TX)STARTER. Plays the game with a lot of confidence. Has good strength but toning and firming up would be beneficial. Plays with a little bit of reckless abandon. March 25-April 1 DI-NationalTournament (EasternArizonaCollege)STARTER. Toning and trimming a few pounds could be beneficial. Needs to clean up her game some and not force things that are not there. In this game went 2-16 and 0-9 from three.
