2024-2025...February 3 (ClarendonCollege-TX) ... STARTER. Decent frame but needs to get stronger and gain some weight. Shoots her jumper from 15' off the side of her face. Lateral quickness is good to very good. Nothing really flashy about her game and mostly played the 2 spot. Does a good job of getting the ball to the scorers and bigs. March 13 (WeatherfordCollege-TX) ... STARTER. Speed and quickness is very good. Has decent handles. March 25-April 1 DI-NationalTournament (FloridaSouthwesternStateCollege/DodgeCityCommunityCollege-KS) ... STARTER. Nice little running jumper. Nice form on her three and has only put up 49 from there and has hit 40%. Plays very good perimeter defense. Size will make it difficult to project higher.

2024-2025...February 3 (ClarendonCollege-TX) ... In off the bench and stepped out and hit a three from the corner immediately and then went on to hit 3-8 from beyond the arc. Likes to shoot the three and 96 of the 167 field goal attempts have come from there. Needs to get stronger in upper body and add some weight. Length is good. Floor speed is good. Has good athleticism. Has decent jumping ability and needs to use that and her size to become more of a force on the boards. For limited playing time has gotten to the line 54 times while converting 83%. Needs to develop other phases of her game in addition to shooting the three. Hard to guard beyond the arc as she can elevate above most defenders. March 13 (WeatherfordCollege-TX) ... March 25-April 1 DI-NationalTournament (FloridaSouthwesternStateCollege/ DodgeCityCommunityCollege-KS)...Loves to shoot the three and form is very good. Coming into the tournament has hit 30% of the 146 she

has attempted. Needs to play better perimeter defense

2023-2024...January 25 (@FrankPhillipsCollege-TX)...STARTER...Length is excellent. Very athletic. Needs more strength and additional weight. Very good to excellent quickness. Floor speed is very excellent. Averaging 15 ppg. Very athletic. Free throw has a lot of left hand in it but rotation is good. Handles it well and gets team into offense. Puts good zip on her passes. Very good defensive anticipation. Lateral quickness if excellent. Has put up 245 shots and hitting 45%. Has not proven to be a proficient three point shooter, hitting on 22% on 59 attempts. Averaging almost 15 ppg. Shoots her shot from beyond the arc too flat. Has very good ball-handling skills. *March* 7 (@ClarendonCollege-TX) ... STARTER...Has a lot of left hand in her free throw. Very athletic. Jumps very well. Pull-up jumper from 15' has good form. Needs to elevate on it a little more. Handles it well. Has put up 76 shots from three but is only hitting 21%. Can run the floor with excellent speed. March 15 (CollinCollege-TX/Region5Tournament) ... STARTER... Seems to have pretty good basketball IQ. March 27-April 1/DINationalTournament (TrinityValleyCommunityCollege-TX) ... Needs to shoot the ball better from beyond the arc. For the year put up 86 from three and only converted 19.8%. Struggled against solid defense in the second game and went 1-13 from the field. Has very good upside and another year of experience will be very helpful to her game.

2024-2025...February 3(ClarendonCollege-TX) ...STARTER. Averaging 13.5 ppg through 21 games. Projected at level 4 as a freshman. Still needs to get stronger and add weight. Great athleticism. Reacts well to the ball off the boards. Rebounds out of her space. Explodes to the rim. Good length. Floor speed and quickness is excellent. Uses good body fakes on her drive to get defender out of position. Very good lateral quickness. Went 6-7 from the field and 6-7 from the line along with 8 rebounds. Gets bumped around but even with lack of body weight, finished well with contact. March 13 (WeatherfordCollege-TX) ...STARTER. March 25-April 1 DI-NationalTournament (FloridaSouthwesternStateCollege/DodgeCityCommunityCollege-KS)...STARTER. Executes the Euro step very well even going full speed. Needs to get better going to her left on the dribble. Excellent quickness.

2023-2024...January 25 (@FrankPhillipsCollege-TX) ...Lefty with good frame and good strength. Very good floor speed. Free throw form is okay but more knee bend would give her better rhythm. Not a real threat to hurt you from three. March 7 (@ClarendonCollege-TX) ... STARTER...Even though free throw needs a little better rhythm, converting close to 80%. Shoots her three somewhat stiff-legged as well and her only hitting 27%. Posted her defender up and scored off couple of nice post moves. March 15 (CollinCollege-TX/Region5Tournament) ...Free throw form needs work, has too much arm motion and not enough wrist and finger snap. March 27-April 1/DlNationalTournament (TrinityValleyCommunityCollege-TX) ...Doesn't elevate very well on her jumper. Even though she shoots her free throw off her left shoulder and still needs rhythm, is hitting a good percentage. Gets to the line frequently.
