coming into the tournament. Still needs to get stronger in upper body. Total turnaround shooting her free throws from her freshman year and is now hitting 80% and has put up 150 prior to coming into the tournament. Free throw form is very good. Did not do a lot of posting up and calling for ball. Will get level 6 looks being 6-3, game will need to become more aggressive to be successful. When driving from free throw line, primarily
