2024-2025...November 29 (ParisJuniorCollege-TX) ...Executed nice short range jump hook. Floor speed is above average most of the time but can run it with good when she pushes herself. Needs to widen her base on her free throw. Average athleticism. January 28 (CrowderCollege-MO) ... STARTER. Needs to tone and tighten up. Floor speed is above average. Big and strong. Doesn't have great mobility. March 25-April 1 DI-NationalTournament (HutchinsonCommunityCollege-KS/NorthwestFloridaStateCollege) ... Finished better in this game than previously observed. Needs to raise her free throw shooting percentage.

2023-2024...November 24/25 (AngelinaCollege-TX/TrinityValleyCommunityCollege-TX) ... STARTER...Length is good. Can run the floor with good speed. January 13 (@CrowderCollege-MO) ...STARTER... March 26-April 1/DINationalTournament (MississippiGulfCoastCommunityCollege) ...STARTER ...Form on her three is good but hasn't put up very many coming into the tournament, and is only connecting on 26%. Very good length. Needs to get stronger and add some weight. Anticipates well on defense. Reacts well to the ball coming off the boards. For her size, handles it pretty well. Very good athleticism. Had a good tournament.
